INSURANCE OFFICES

Highly Important to Farmers.
The only Exclusive Farmers' Insurance Company in the West.

THE MADISON MUTUAL,
Located at Madison Wisconsin.

THIS COMPANY CONTINUES TO TAKE RISKS upon Farm Property only, consisting of buildings of all kinds, (belonging to farmers,) household furniture, grain in barns, live stock, &c., from one to five years, at lower rates than any other responsible Companies.

All losses promptly paid at the office as soon as proof is made thereon.

We believe it to be for the interest of the farmers to insure by themselves, their property being less hazardous than any other, consequently you will have no losses, only your own of the same class, and all will be on an equal footing.

Experience has shown that two-thirds if not three-fourths of all the fires that occur are upon stores, taverns, mills, shops, and such like property. In this Company all such property is rejected POSITIVELY BY ARTICLE THIRTEEN.

Farmers, look to your own interest, and insure in a Farmers' Company.

We have been doing business a little over three years, and we have not been obliged to assess our premium notes, and for the last fourteen months we have not had a single dollar loss, though doing a large and prosperous business, which we believe to be without a parallel in the history of Insurance.

The best of references given as to the responsibility of the Company.

MILWAUKEE MUTUAL FIRE INSURANCE COMPANY.
Office in Martin's Block, Milwaukee.

Capital over $165,000—in Cash and Premium Notes.

THIS Company offers unrivalled facilities for the insurance of Buildings and Personal Property against fire.

The advantages offered are security beyond the reach of circumstances, as the real estate insured is by law bound for the assessment made to cover losses beyond the power of evasion. Every person insured is a member of the Company and entitled to one vote. The cost of insurance does not exceed one-third as much as in Stock Companies, saying nothing of the increased security and the incomparable ease with which losses are settled. During the last five years, this Company have issued 3600 Policies, and made but three assessments at a cost to the property insured, not exceeding two mills on the dollar. Its business is principally confined to this State.

DR. J. B. MARCHISI'S
CELEBRATED CATHOLICON,
For the Relief and Cure of Suffering Females.

IT STANDS PREEMINENT for its curative powers in all the diseases for which it is recommended, usually called Female Complaints. Of these are Prolapsus Uteri or Falling of the Womb; Fluor Albus, or Whites; Chronic Inflammation and Ulceration of the Womb; Incidental Hemorrhage or Flooding, Painful, Suppressed and Irregular Menstruation, &c., with all their accompanying evils, (Cancer excepted) no matter how severe or how long standing.

The Catholicon far surpasses other remedies, in being more certain, less expensive, and leaving the system in a better condition.

I have no hesitation in saying Dr. Marchisi's Uterine Catholicon is valuable in the diseases generally. I have used it in Fluor Albus, Amenorrhea, Prolapsus Uteri, and in cases of excessive ulceration of the vagina and os uteri. It is worthy of the notice of the faculty.
JOHN C. ORRICK, M. D.
Baltimore, Md.

The Catholicon is doing good service here. All the patients that have tried the medicine have been benefited but one—and that one nothing will help.
Truly Yours,
WM. LAIRD HAZLETT, M. D.
July 6th, 1854. New Philadelphia, Ohio.

I must say, from my own experience and personal observation, my practice, it has proved to be the best and safest remedy for the difficulties for which it is recommended, viz: that of female weakness, such as Prolapsus Uteri, Fluor Albus, and all irregular and painful menstruation, and diseases of irritation of the uterine organs.
D. Y. FOOTE, M. D.
Syracuse, N. Y.

Those needing such a remedy should inquire into the merits of this medicine, and by calling at the store of the undersigned can obtain a pamphlet (free) containing ample proof, from the most respectable sources, of the beneficial results of its use together with letters from highly distinguished Physicians, who have used it in their practice, and speak from their own observations.

INSURANCE OFFICES

Highly Important to Farmers.

The only Exclusive Farmers' Insurance Company in the West.

THE MADISON MUTUAL,

Located at Madison Wisconsin.

THIS COMPANY CONTINUES TO TAKE RISKS upon Farm Property only, consisting of buildings of all kinds, (belonging to farmers, household furniture, grain in barns, live stock, &c., from one to five years, at lower rates than any other responsible Companies.

All losses promptly paid at the office as soon as proof is made thereon.

We believe it to be for the interest of the farmers to insure by themselves their property being less hazardous than any other, consequently you will have no losses, and your own of the same class, and all will be on an equal footing.

Experience has shown that two-thirds if not three-fourths of all the fires that occur are upon stores, taverns, mills, shops, and such like property. In this Company all such property is rejected POSITIVELY BY AN EXPRESS VOTE thereof.

Farmers, look to your own interest, and insure in a Farmers' Company.

We have been doing business a little over three years, and we have not been obliged to assess our premium notes, and for the last *fourteen months we have not had a single dollar loss*, though doing a large and prosperous business, which we believe to be without a parallel in the history of Insurance.

THIS Company offers unrivalled facilities for the insurance of Buildings and Personal Property against fire.

The advantages offered are security beyond the reach of circumstances, as the real estate insured is by law bound for the assessment made to cover losses beyond the power of evasion. Every person insured is a member of the Company, and entitled to one vote. The cost of insurance does not exceed one-third as much as in Stock Companies, saying nothing of the increased security and the incomparable ease with which losses are settled. During the last five years, this Company have issued 9600 Policies, and made but three assessments at a cost to the property insured, not exceeding two mills on the dollar. Its business is principally confined to this State

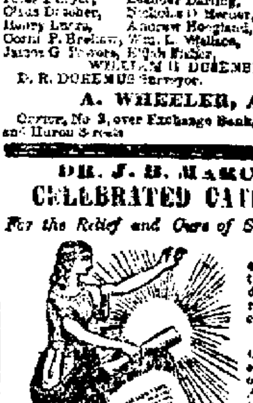
DR. J. B. MARCHISI'S CELEBRATED CATHOLICON,

For the Relief and Cure of Suffering Females.



IT STANDS PRE-eminent for its curative powers in all the diseases for which it is recommended usually called

Female Complaints.

Of these are Prolapsus Uteri or Falling of the Womb; Fluor Albus, or Whites; Chronic Inflammation and Ulceration of the Womb; Incidental Hemorrhage or Flooding; Painful, Suppressed and Irregular Menstruation, &c., with all their accompanying evils, (Cancer excepted,) no matter how severe or how long standing

The Catholicon far surpasses other remedies, in being more certain, less expensive, and leaving the system in a better condition.

I have no hesitancy in saying Dr. Marchisi's Uterine Catholicon is invaluable in the diseases generally. I have used it in Fluor Albus, Amenorrhoea, Prolapsus Uteri, and in cases of excessive ulceration of the vagina and os uteri. It is worthy of the notice of the Faculty.

JOHN C. ORRICK, M. D.

Baltimore, Md.

The Catholicon is doing good service here. All the patients that have tried the medicine have been benefited but one—and that one nothing will help.

Truly Yours,

WM. LAIRD HAZLETT, M. D.

July 6th, 1854 New Philadelphia, Ohio.

I must say, from my own experience and personal observation, my practice, it has proved to be the best and safest remedy for the difficulties for which it is recommended, viz: that of female weakness, such as Prolapsus Uteri, Fluor Albus, and all irregular and painful menstruation, and diseases of irritation of the urinary organs

D. Y. FOOTE, M. D.

Syracuse, N. Y.

Those needing such a remedy should inquire into the merits of this medicine, and by calling at the store of the undersigned can obtain a pamphlet (free) containing ample proof, from the most respectable sources, of the beneficial results of its use, together with letters from highly experienced Physicians, who have used it in their practice, and speak from their own observations.

EDITORIAL CORRESPONDENCE OF THE SENTINEL.

Madison, Feb. 27.

I enclose a bill, laid upon our tables this morning, relative to the subject of depreciated currency. The Swamp Land bill also made its appearance printed this morning.

In Senate:

Bills introduced:

By Mr. Loy, providing for sale of Swamp Lands.

By Mr. Loy, to divide the 4th and organize the 10th Judicial District.

Mr. Giles, charter of Wisconsin Teachers' Association.

(The bill introduced yesterday by Mr. Harvey for an amendment of the Constitution increasing the pay of members to $4,00, is liable to be misunderstood, without its being stated that the bill also propose to limit the length of the session of the Legislature to 40 days.)

Resolutions:

By Mr. Reymert:

A preamble asserting that after seven weeks' session, no fraud or corruption has been fixed upon the state officers, with a resolution calling upon the committees to report as soon as possible, so as to relieve the minds of the people.

More of this hereafter.

By Mr Cobb, introduced yesterday, to receive a new business after the 28th. After a call of the Senate and numerous motions, it was finally postponed indefinitely.

Mr Bowen, from Committee on claims, reported bills

To pay A Proudfit $45,153 on his contract for the South Wing of the State Prison. Also $1400 more, when completed.

To pay A W Starks $119.

Mr Kelsey called up the Assembly resolution to suspend the sale of school lands, and moved to postpone it indefinitely. Mr. Wakely moved to table it: Carried.

The bill restricting the sale of these lands to actual settlers came in from the Assembly, and the Senate concurred in the amendment. So the bill has finally passed.

It being understood, that it was still necessary to suspend the sale until this law could take effect, Mr. Giles moved to take up the last resolution again. Carried, and a debate ensued which ended by adopting a substitute by Mr. Taylor, suspending the sales till the publication of the bill just mentioned.

Mr. Harvey introduced a bill relative to weights and measures.

The following bills passed:

Charter of Fond du Lac and Lake Superior Railroad Co.

Amending charter of Kenosha and Beloit R. R. Co.

Repealing charter of Madison and Swan Lake R. R. Co, and amending charter of Portage City and Lake Superior R. R. Co

Adjourned to to-morrow.

In Assembly, 9 A. M.

Petitions were presented:

By Mr Bennett, to tax church property.

By Mr White, against any change in the system of county government.

By Mr W R Taylor for a liquor law.

By Mr Chase, the account of R King and Co.

Bills were introduced:

By Mr McIndoe, amending charter of Wisconsin Lumbermen's Insurance Co.

By Mr Bennett, changing name of I L Brom to H L Grim.

By Mr P H Smith, memorial for mail route.

By Mr P H Smith, for certain state roads

Reports of Committees:

Mr Colley, from the Committee on Printing, reported on the subject of the cost of the Documentary History, with other matters relating to it. The Committee report that the amount expended previous to 1854 was $2200,00. That the two volumes now printed, at $1,30 per volume, would cost $13,000 more. That the other three volumes at the same price would make $19,500 in addition, making the cost $34,700; and that in addition, Gen. Smith is to be paid for his services. If the three volumes last mentioned are to be printed at 50c per volume, in accordance with proposals made, then the cost would be $22,700. They think that the Legislature had a right to pass the law of last winter and that the state printer's contract was not violated by it. They think that by strict construction, the Governor was not compelled to advertise for proposals for the printing of the first two volumes, but they regret that there was no opportunity given for competition. They had examined the work as furnished, and do not think that its execution complies with the terms of the law; and if the style of binding is the "modern style of binding works of state history, they think it would have been better to adopt a more ancient style. They think, under these circumstances, that the state is not bound to pay $1 30 per volume. They suggest whether or not it may be advisable to print the work in a better form, and whether or not there exists any immediate necessity of printing the rest of the volumes.

The Report was ordered printed.

The bill restricting the sale of school lands to actual settlers and in limited quantities, for which a substitute had been passed by the Senate, was taken up, and the substitute adopted, with an amendment making the law take effect from the day of its publication.

A long list of Senate bills were read twice and referred.

Bills on third reading:

Charter of Franklin Insurance Co—passed.

Repealing appropriation of $2000, to the State Agricultural Society, and making annual appropriation of $500. Mr. Goss spoke briefly against the bill and in favor of the present appropriation. The vote was taken by ayes and noes, and was 33 to 33 till two members were called again, when it stood 35 to 32 and the bill passed. A motion to reconsider failed, 31 to 37. The bill appropriating to Rufus King & Co, for the purchase of Supreme Court Reports was passed, by the following vote:

Ayes; Abbot, Adams, Allen, Bennett, Boyd, Cary, Chase, Colley, Cross, DeWolf, Ebbetts, Field, Gary, Goodall, W. Grant, Gunn, Harrington, Hollenbeck, Hooper, Howard, Hull, Isham, Juneau, Lewis, Lee, Love, Martin, McIndoe, Merriam, Merrill, Moscowitz, Mosher, O'Neil, Parker, Pratt, Ramsey, Randall, Rose, Schwefel, Schraga, Sherman, P. H. Smith, A. Taylor, Warren, White, Williston,—46.

Noes, Barns, Bond, Delany, Downs, Fisher, Gibb, Goss, Griffin, Kirkpatrick, Hogan, Reed, Ruan, B. Smith, W. R. Taylor, Vilas, Vliet, Wakely, Whirry,—18.

The large number of democrats in the affirmative on the passage of this bill is under the circumstances a sufficient vindication of its justice.

The bill chartering the village of Horicon also passed.

In Committee of the whole, Mr. Gunn in the chair, a number of important bills were considered.

The bill providing for a change in the system of county government was debated by Messrs. Hull and Vilas in favor, and Gary and Pratt against, and an expression made by the Committee in favor of killing the bill.

The bill providing for bringing the Capitol lands into market, was discussed. Mr. Thompson spoke in favor, on behalf of sundry settlers who had gone on to the land, and Messrs. Bennett and Gary against, on the ground that the lands had better be as they are till they are needed for a new capitol, instead of being disposed of now. The Committee voted with the last named Speakers.

After the Committee rose, Mr. A. Taylor, by request, moved to reconsider the vote killing the Iowa county seat bill. After considerable discussion, the vote was taken, and the motion lost by a tie vote, 34 to 34.

On motion of Mr. McIndoe, the Swamp Land Bill was made the special order for Monday next and thereafter till disposed of.

On motion of Mr. Martin, the Census Bill was made the special order for Tuesday and thereafter.

Mr. Bennett moved to adj. to 2½ P. M. Mr. Hull moved to adjourn—lost. Mr. Earnest moved to adjourn to 3 P. M. After a sharp squabble of a few moments on a question of order as to the propriety of adjourning to a time certain, the motion to adjourn was renewed and carried.

Abstract of Wednesday Morning's Proceedings.

Madison, Feb. 28.

Senate.—Mr Reymerts Administration resolutions, on motion of Mr Wakely, and after an able speech by Mr. Taylor, were indefinitely postponed, 15 to 7!

Bills passed:

Charters of Lake Superior Mining Co, and Jamestown Co.

Charters of Jefferson Co. Mutual Home Insurance Co.

Amending charter of Rountree Mining Co.

Providing for election of Register in Washington Co.

Providing for election of Sheriff and District Attorney in Washington Co.

Changing time of Courts in La Crosse, Bad Ax, and Crawford.

A State road bill.

Vacating a street in Richland City.

Amending ch. 88 R. S. relative to Justices Courts.

Appropriating to Deaf and Dumb Asylum.

Thirteen other appropriation bills.

Adjourned.

Assembly.—Among the petitions was one from 9 prisoners in Dane Co. jail for a Prohibitory Liquor Law.

Resolutions; to meet at 2½ P. M. on the general file, on and after March 1st. Adopted.

Enquiring as to whether the state has a title to the swamp lands. Adopted.

The special order,—the temperance bill—occupied most of the morning. Numerous amendments were adopted in Committee. One proposing to exempt beer, native wine and cider, was voted down by a large vote. Committee rose and reported in favor of passing the bill. Mr. Downs offered a substitute. The friends of the bill carried a motion to take a recess to 3 P. M.

Conflicting Oracles.

There appears to be a slight difference of opinion between the twin organs of the Sham Democracy in this city, as to the men and measures at issue in the approaching Charter Election.—The News is of opinion that the City Government, during the past year, has been badly administered, taxes too high, economy turned out of doors and even hints at some ugly stories about the Straight Cut and the Dredging contracts, which need investigating by "new men." The Wisconsin, on the other hand, that complaisant journal, which

> "Crooks the pregnant hinges of the knee,
> That thrift may follow fawning,"

is quite delighted with our present City Administration, thinks there never was just such another set of officers, admires the faithful manner in which they have all done their duty, and is especially pleased with our financial condition! Of course the fact that the Wisconsin happens to be the "Official paper," and the recipient of corporation pap, had nothing to do with this disinterested opinion.

The following paragraph from the News of yesterday, is certainly suggestive, if not flattering:

> We learn there is another movement on foot, which, perhaps, it may be well enough to allude to. The small fry connected with the Wisconsin office, who have been favored with sops from the School Fund, or an interest in some doubtful operations in School Lands, or been fed in some other way from the State Treasury, are stealthily at work to have something done at the City Convention to-morrow that can be construed into half-way endorsement of the present State Administration. The experiment to make the democracy of this city dangle at the fag end of the "Balance" in the present dubious condition of affairs at Madison, appears to us to be a perilous one, to say the least of it. We have mismanagement enough nearer home to apologise for and gloss over.

Too Many Already.—We notice that a bill was introduced into the Senate Tuesday dividing the 4th and creating the 10th Judicial Circuit. We have just about four Circuits too many now, and if the Legislature would reduce the the number to five, instead of increasing it to ten, the People would thank them for the service.

A New Test of Patriotism.—The Sheboygan Lake Journal, a so-called "democratic" paper, in a notice of the Legislative proceedings on the 22nd February, says:

> The democratic Senate, on meeting in the morning, promptly adopted a resolution to adjourn "in honor of the memory of Washington."
>
> The Shanghai Assembly, at the same time, three times refused to adjourn "in honor of the memory of the immortal George Washington." Such is the difference between democracy and federalism alias Shanghai-ism.

Our readers, no doubt, take the point. Democracy, as preached by the Senate, is beautifully illustrated by their taking holiday at the public expense, under the shallow and impudent plea of "honoring the memory of Washington." Republicanism, as practiced by the Assembly, is fittingly exemplified by their continuing in session and at work, in the well-founded belief that this was the true way to "honor the memory" of a Hero and Patriot, who was especially remarkable, during his long and illustrious career, for economizing the public time and money. "Such is the difference" between Sham Democracy and genuine Republicanism. We concur with our Sheboygan contemporary in inviting the People to make a note of it.

What the Legislature have done.—We invite attention to the article in this morning's paper, from the Madison Patriot, a Democratic paper, setting forth, frankly and specifically, what our Legislature has already accomplished in the way of Retrenchment and Reform.

The Pacific Rail Road.—The Senate on the 20th ult. passed the Pacific Rail Road bill—a trunk line with three branches—by the following vote:

Yeas.—Messrs. Badger, Bell, Benjamin, Dodge of Wisconsin, Dodge of Iowa, Douglas, Foot, Gilette, Gwin, Hamlin, James, Johnson, Jones of Iowa, Jones of Tenessee, Morton, Rusk, Sebastian, Seward, Shields, Slidell, Stuart, Toucey, Wade and Weller—24.

Nays—Messrs. Adams, Allen, Bayard, Brainard, Brodhead, Brown, Butler, Chase, Clayton, Dawson, Evans, Fitzpatrick, Geyer, Hunter Mason, Pearce, Pratt, Sumner, Thompson of Kentucky and Wells—20.

The title of the bill was then amended to read as follows:

Bill to authorize and facilitate the construction of a northern, a southern, and a central Pacific railroad and magnetic telegraph through the territories of the United States.

Its fate in the House, so late in the session, is problematical.

Indisputably True.—The Wisconsin, in one of its lucid moments, makes the following sagacious remark:

> Let the Sentinel of Monday, mailed late at night, be kept in the Milwaukee office until Wednesday morning, how few in the country would take it.

Very few indeed, no doubt. The "Sentinel of Monday" is mailed Saturday night, and if "kept in the Milwaukee P. O." as the Wisconsin pleasantly suggests, until the Wednesday following, would be very stale news. What especially recommends the Sentinel to "the country" is, that its readers invariably find in its columns all the latest news. The little arrangement which the Wisconsin proposes would rather damage that peculiar feature of the Sentinel.

Death of an Editor.—The Ithaca (N. Y.) Chronicle announces the death of D. D. Spencer, for many years editor of that Journal, and well known and much respected in his own town and throughout the State. He died on the 18th of February, in the 56th year of his age.

Arrest of St. Louis Merchants.—Messrs. Smith & Kennedy, doing a dashing furnishing business in St. Louis—originally coming west with a stock worth $125,000—were arrested on the joint requisitions of the Governors of Pennsylvania and Missouri, on the evening of the 22d inst. on the charge of attempting to defraud their creditors and consigned to jail. They were formerly in Chicago for a short time.

A Hard Hit.—Senator Reymert's white-washing resolutions, got up for the benefit of "Barstow and the Balance," were indefinitely postponed in the Senate, yesterday, by the emphatic vote of 15 to 7.

> ——Oh! where was Hadley then?
> One blast upon his bugle horn,
> Were worth—three or four men.

Serious Charge against the Postmaster.—The Wisconsin of Monday makes the following specific charge of official misconduct against the city Postmaster:

> "The country newspaper mail closes at 10 o'clock p. m. The Sentinel does not usually get to press before that time. But the Sentinel's papers for the country mail are daily permitted to be mailed after that hour. This is an important privilege."

This is a pretty piece of business, to be sure. A Postmaster who thus accommodates the Press and through them the public, clearly deserves decapitation. We can add an additional specification to the Wisconsin's charge. Some of the Clerks in the P. O., very likely at the instigation of the P. M., have been known to sit up, nights, on purpose to mail papers unexpectedly delayed. And we are credibly informed that this monstrous "privilege" has been extended, not to the Sentinel alone, but to the entire City Press!

Candidate for Supreme Court Judge.—The Grant County Herald of Feb. 26th, announces James H Knowlton, of Shullsbury, as a candidate for Associate Judge of our Supreme Court at the approaching April Election. The Herald speaks highly of Judge Knowlton's talents and character.

Another Call for Investigation.

Whenever the State Administration is driven into particularly close quarters, the fact may be instantly discovered by the clamor of the organ for "investigation." It is like a flock of geese who cannot be so utterly routed and discomfited but that the moment their pursuer gives them an opportunity to catch breath, they will half deafen him with exultant squalls as of victory—When the organ grows clamorous for "investigations," it is a sure indication that some of its friends are hit. Mr. Gunn made a report the other day, showing the accuracy with which the School Land Commissioners keep their books.—Not being able to contrive any defence for such an aggregation of stupidity or wilful perversion, the "organ" on the following day is blatant for investigation. It devotes about a column to the subject, of which the following will answer as a specimen:

> Nearly seven weeks of the session have elapsed. At its commencement, the State officers invited and demanded the most thorough investigation into all the official acts. The first step toward investigation have not yet been taken. It has been shuffled off and delayed not by those accused of wrong, but by the accusers, and those at whose hands scrutiny was asked. Let the people judge by this where the wrong, the scandal and the outrage exists!
>
> The cool, deliberate falsehoods in the above, constitute but a single feature of the paragraph. It is well known that there have been numerous committees of investigation appointed that one committee has shown that the Governor has drawn money from the Treasury under the provisions of a law that had been repealed; another that there has been the grossest carelessness or dishonesty in keeping the accounts of the School Land office; it has been discovered that nearly all the reports of the department teem with errors; that the Governor's message misrepresents former administrations in order to apologize for his own, &c., &, while a number of committees are about ready to report on other equally interesting subjects, and yet we are told that nothing whatever has been done towards investigating the affairs of the State.
>
> The committee on the Lunatic Asylum would have reported before this time had they been able to procure the necessary documents printed in any kind of season. The whole business of the session is retarded in consequence of the remissness of the State printer. Important bills go to the printing office and remain there weeks. The reports of some of the Departments have not yet appeared. The Reports of the State Geologist, of the Regents of the University, of the Deaf and Dumb and Blind Asylums, and various special reports are mouldering unprinted in the hands of the State printer, while this paper under his control abuses the Legislature for its slow progress, and the committees for not reporting. Rebukes from such a source come with especial bad grace.—[Madison Journal.

The Legislature.

The Legislature is busily at work. The Assembly meet at 9 A. M. daily—sit until 1 P. M. going through the general file, and passing or defeating every proposition as it comes before them, generally without debate. The afternoon and evening until quite late, are occupied by the several investigating committees, who have a herculean task on their hands.—By this plan, the business of the session has gone forward with greater expedition and perfection than any one previously held.

The number of bills thus far introduced in the Assembly is 300, and 18 memorials, of which one half are already disposed of; and the remainder are either under advisement, or in a shape for speedy action. The results thus far arrived at, as compared with last session, may be briefly summed up as follows:

Saving of Postage,	$4,000
" on Newspapers,	5,000
" Printing,	7,000
" Pay of Officers,	8,000
" Contingent Fund,	6,000
" Documentary History	8,000
" State Ag. Society,	2,500
Total,	$42,000

The Legislature has been in session seven weeks to-day. Eight weeks was the least that any one could have anticipated, and it will certainly close in ten. If an adjournment is carried on or about March 15th, and the various reformatory acts under advisement prevail, the following is not an over estimate of the additional saving to the people.

Per diem &c., of members	$12,000
Lunatic Asylum Contract	450,000
Other items	25,000
Total,	$487,000

The debt of the State created during the past year, other than the funded debt or sums borrowed, is more than $225,000. So that the Treasury is bankrupt. Had another year of such rule prevailed, without Legislative interference, a debt of full one million of dollars would have been the result. This Legislature will unquestionable save the people by direct action, not less than $500,000 during the present session. We speak this advisedly, and with a personal knowledge of what we say; and the result of the investigations now in progress will show that we are below, rather than above the mark.—[Madison Patriot, (dem.)

From the Cleveland Herald, Feb. 22.

The Law Triumphant.

The most cheering intelligence of the good results of the Temperance Law comes up from all portions of the State. Even in Cincinnati the law is sustained, and the principal liquor dealers have bowed to its mandate. Judge Parker set an example of enforcing the law, and the Grand Jury returned indictments against some fifty of the main violators. When brought up for trial, the prison grates had no charms, and through their counsel a proposition was made to discontinue the criminal traffic, which was accepted by the Prosecuting Attorney, who consented to let indictments now found against the violators of the Liquor Law remain, if the parties would sign bonds for their appearance for trial, which would be left unprosecuted temporarily, on their signing a pledge to discontinue the illegal sale for the future. If they violate the same, he is to present their cases to Court for trial, and the due execution of the law, on the indictments already found, and to bring suits in each subsequent case that can be found of violation. The following is the pledge:

> State of Ohio, Hamilton County, ss.—Cincinnati, February 16, 1855.—This agreement witnesseth that we, the undersigned, hotel, tavern, restaurant, and coffee-house keepers, hereby agree, on our pledge of honor as gentlemen and good citizens, from the present to discontinue the sale of any other than the drinks permitted by the Ohio Liquor Law, and in good faith obey all the injunctions of that law, passed May 1, 1854, withotu any evasion thereof.

Thoughts of Spring.—Every appearance we can judge from, leads us to believe the spring will open upon Wisconsin with a dozen signals indicating prosperity, business and beauty. Hundreds of houses and barns are to be erected in most every town and thousands of acres of prairie are to be turned over. Where upon earth the men and horses & cattle and prairie plows and lumber are all to come from is a mystery to us and to all. Cheap lands and dear labor will, however, draw hundreds and thousands to these parts, whom no other inducements could persuade off to the wild West, to build our houses and subdue our lands. Recent financial troubles in the East and entanglements caused thereby, will also lead many westward. Most of them are poor, but such become the best citizens and ultimately the richest men of the country.—Teams will be in the greatest demand,—emigrants will not bring horses in proportion to their numbers and wants, and these are not near enough to supply the present demand.—[Grant Co. Herald.

Political.

The Canal appointments will show changes in some of the principal offices. The lines are drawn—for or against a Northern Anti-Slavery party.—Cor. of the Courier & Enquirer.

Right Sir!—drawn where they should have been drawn, years ago. Let any man undertake to remove these new landmarks. They are driven down immovably deep. The Party of Freedom is organized. It marches henceforth upon Slavery, till it retires from Federal Politics forever, and consents to remain a State Institution, and local Economical policy.—[Buffalo Democrat.

CITY MATTERS.

Bayard Taylor's Lecture.

Youngs' Hall was full to overflowing to hear Mr. Taylor's "India" on Tuesday evening. We have had no such audience this season. The house was even larger than those of the same lecturer last year.

Many of our readers are already familiar with Mr. Taylor's style. As a lecturer, he is remarkably easy and pleasing, his manner being entirely simple and without affectation, his voice musical and filling the Hall without apparent effort.

His lecture on Tuesday evening was a most instructive and pleasing, though necessarily hasty view of the country and people of India, enlivened by anecdotes and enriched by occasional passages of real eloquence and rare poetic beauty.

No one, who heard him, can soon forget his thrillingly impressive description of his own approach to the lofty Himmaleyah's "the pillars of heaven." The fixed attention of the audience was shown in their marked and unflagging attention to the speaker to the end, even those who were compelled to stand, being sorry when the lecturer closed, that he had not taken time to tell them all he knew of that remarkable country and its people. He gives his second Lecture this evening on "the Philosophy of Travel" in which all must allow that he is an expert and competent, as the lawyers say.

He has given us now three lectures on where he has been, and we think he will have a house fuller yet to hear how he did it.

Certainly the author of the "Journey to Central Africa," the man who has travelled over a good part of a hemisphere and taken its "views afoot," who has taken Hasheesh by the quantity and travelled among the Arabs as a Bedouin, and who has seen the Elephant he told us of on Tuesday, in India, must have a system of philosophy on such things worth hearing.

Destructive Fire—Six Houses Burned.

A destructive Fire broke out, about three o'clock yesterday morning by which six houses were entirely destroyed. The buildings were situated on the North East corner of Reed and Oregon Streets, in the Fifth Ward. The fire was discovered between two and three o'clock and originated in the Baker's shop of Mr Pfeiffer. The flames spread rapidly, consumed the whole square of houses on the corner. The buildings, were owned and occupied as follows; Mr. Pfeiffer, Baker Shop; owned the building; Caspar Balz owned two buildings, one of them occupied by Julius Weigler, as a grocery and dry goods store, and the other by four families; another owned by Henry Meyrose, occupied as a liquor store by Martin Olson; another owned by Henry Surges and occupied by Surges & Knurr as a grocery and provision store. The other was the Mississippi House, owned and occupied by Frank Conrad. In the different buildings burned, no less than fifteen families lived, who are left suddenly without shelter, and some of them entirely destitute. So rapid was the progress of the flames that Mr. Pfeiffer and his family had but just time to get into the street with only their night clothes on. He was insured but $200 in all, which, with $900 upon Surges & Knurr's stock, is all the insurance we heard of.

This fire furnishes another "loud call" to our citizens and Common Council to provide Water Works for our City. The Fire Department could do but little for the want of water, the only source of supply being the river, and a line of four engines being required to bring it thence. The Firemen worked hard for two hours, in a very cold night, and succeeded, with some difficulty, in confining the ravages of the flames to the limits named.

Democratic Nominations.—The regular Democracy of the Third Ward have nominated John Shortell, Alderman for 2 years, Daniel Kennedy, Alderman for 1 year; A. McCormick, for Assessor; John H Ryan, Constable, John Keegan, for R. R. Commissioner.

The same party in the Second Ward have nominated H Hartel, Alderman for 2 years, Conrad Meyer do. for 1 year, Joseph Kluppack for Assessor, George Fischer, for Constable and Joseph Walter, for R. R. Commissioner.

The Democratic City Convention to nominate Candidates for Mayor, Marshall &c, meets in the Council Room at 2 P. M. this day.

First Ward Nominations.—The Democracy of the First Ward, at their Caucus yesterday afternoon, nominated, without material opposition, the following ticket:

Alderman for 2 years—Jackson Hadley.
Alderman for 1 year—Victor Schutte.
Constable.—Fredrick Kessler.
Assessor—Patrick Nicol.
R. R. Commissioner—Herman Schwarting.

Messrs. Hadley, Schutte and Kessler are the present incumbants.

Independent Candidates.—Haven Powers, at present Alderman from the Fourth Ward, is an independent candidate for a re-election. Geo. A. McGarrigle, who was Constable in the First Ward, last year, and Patrick Meloy Jr., Constable in the Fourth Ward, are again candidates for the same office. These are all appeals from the Caucus to the People.

"Turn About is Fair Play."—Yesterday afternoon Senator Hadley was nominated by the regular Democracy of the First Ward as their candidate for Alderman. This is no more than fair, seeing that Alderman Hadley was nominated by the same party last fall, as their candidate for Senator. We observed Senator Hadley, on hand yesterday, busily superintending the nomination of Alderman. No doubt, as soon as election is over, Alderman Hadley will, in return, hasten to Madison, to help discharge the duties of Senator. This is a very pleasant family arrangement.

CIRCUIT COURT.

Judge Hubbell, Presiding.

Wednesday, Feb. 28.

The trial of Charles Zastro, for larceny in a dwelling-house, was commenced in the forenoon; the District Attorney prosecuting and J. L. Doran defending. The Grand Jury were discharged in the forenoon, they have brought in a number of indictments which we are not yet at liberty to publish, the parties not having been arrested.

"How does She Head?"—The Wisconsin puts up the "regular democratic" ticket in the 4th Ward, but has not even a civil word to waste upon it. On the contrary it devotes a paragraph to a special puff of Ald. Powers, who having failed to obtain a "regular" nomination is trying on the "independent" dodge. Is the Wisconsin for the "regulars," or "bolters?" The News, we notice, warns Mr. Powers off the course. Of course, he will "discontinue" immediately.—Things appear a little "mixed" in the Fourth.

Lively Times on the River.—The River, between Walker's Point and Spring St. Bridges, presented an animated spectacle yesterday afternoon. A number of the fastest horses in town with drivers to match, were showing off their paces on the ice to a large crowd of admiring spectators. The fine weather and capital sleighing seemed to be thoroughly enjoyed by all.

Another Keel.—Captain Barber has commenced laying the keel for another vessel of the following dimensions, 52 feet keel, 7 feet hold, 23 feet beam, 130 tons register. This vessel is being built for J. B. Smith and is destined for the Lake Superior trade. Milwaukee will soon have a small fleet there—the Fur Trader, the G. W. Ford, and the one now commenced—the latter two of Capt. Barber's building.

Shop Lifting.—A woman named Mary Murphy, was arrested yesterday morning, by officer Seifert for stealing a piece of flannel from Dyke & Hoffman, of the value of $12. The woman was taken to jail about half past nine, the Grand Jury being in session at the time the case was immediately taken before them, and the indictment was found by ten o'clock.

Sales of Real Estate.—Caleb Wall sold yesterday lots 1 and 4, Block 29, in the Second Ward, for $2200, and lot 7, Block 66, in the First Ward, on Main Street, north of Johnson, for $2900.

The following sales of real estate in the second Ward, have been made during the past ten days:

One lot, by R. D. Jennings, on Prairie street near 4th, with a frame dwelling thereon, for $2,000.

Three lots at the corner of 11th and Cherry streets, by E. L. Phelps, for $2,500.

One lot, containing a brick dwelling, at the corner of Prairie and Twelfth Sts., by Charles Moss, for $5,000.

One lot on 4th street, between Prairie and Tamarack sts, with a frame dwelling thereon, by Judge Jenkins, for $1,406.

The Weather.—The weather has moderated sensibly, since Monday night, and yesterday the sunshine had almost a springlike feel about it! The snow and ice thawed rapidly during the middle of the day, making the walking rather moist.

Milwaukee Female College.—The meeting of Trustees which was to have been held to-night, has been postponed until to-morrow (Friday) evening, at 7 o'clock, at the Office of Messrs Waldo & Ody.

"By the Gas Lights, dimly Burning."—The Gas lights for some evenings past have been very dim. What is the matter? Cannot the Company brighten up a little?

For the Daily Sentinel.

A Nuisance in the Second Ward.

Messrs Editors:

You will confer a favor on the public and the travelling community in particular, by calling the attention of the Aldermen of the 2nd Ward, to a nuisance on the corner of Sixth and Chestnut streets. The side walk has been washed away to the depth of four or five feet, endangering the lives of the passers by. The citizens in the neighborhood have petitioned the Aldermen several times to no purpose, as they are never seen unless on Election days, or improving property in their own neighborhood. If a man should fall in this gulf and break his limbs, thereby costing the city an amount of money, it might be seen to then when the harm was done. The side walk should be repaired immediately, and we hope this notice, through your public journal, will cause those City Fathers to cast a few loads of gravel into this gulf and save damage and cost. We pay sufficient taxes, surely, for the purpose.

Respectfully, Yours,
MANY CITIZENS.
On Chestnut Street.

Serious Accident at West Point.—While the first platoon of the first class cavalry were engaged, yesterday morning, in their usual exercises in the hall, an accident occured which came near having a fatal termination. The class was engaged in cutting off the canvass heads, and running at the rings while their horses leaped the bar.—The hall is very much too small, and some of the horses were very restive, and were with difficulty compelled to take the leap in such a confined place. One of them, ridden by Cadet E. Gay of Vermont, while going at full speed towards the bar, suddenly swerved, and turning round, ran back towards the other end of the hall, encountering on the way another horse also at full speed. Cadet Gay's leg struck the shoulder of the horse, and was badly broken in two places, one below and the other above the knee. Cadet Childs, who was mounted on the other horse, was brought to ground senseless by the shock, but recovered in a few minutes without having sustained any apparent injury. The officer of the day, Cadet Capt. Merrill, and Cadets Bennett and Webb, promptly carried the wounded man to the hospital, where he now lies in a very precarious condition.—[N. Y. Herald, 21.

A Slave Prison for Michigan.—The people of Michigan having refused to allow their jails to be used by slave hunters, one of their Senators at Washington (Mr. Charles Edward Stuart) has introduced a resolution for the erection of a fugitive slave Prison in the Peninsular State. This is a specimen of obedience to the instructions just sent him "to use his best exertions to procure the repeal of the Fugitive Slave Law." When the prison is completed, we would suggest the appointment of the present senators of that State to the offices of Marshal and Jailor respectively, as they will soon have leisure to devote their entire energies to this business. A great work is before them.—[N. Y. Tribune.

"Waukesha County Bank."—We learn that a bank, with the above name, will soon be ready to commence operations in this village, with Absalom Miner, Esq., President, and C. C. Barnes Cashier. The capital stock is owned by six or eight of our most wealthy citizens, whose known ability and integrity will be a sure guarantee of its success. We are opposed to banks upon "general principles;" but we shan't refuse the notes of this bank.—[Plaindealer.

Milwaukee, February 9, 1855.

NOTICE IS HEREBY GIVEN, That the following additional instalments are required to be paid on subscriptions to the Capital Stock of the La Crosse and Milwaukee Railroad Company, viz: on Shares subscribed by persons residing east of Wisconsin River, ten per centum payable on the first day of April next; and also the further sum of ten per centum on all such Stock, payable on the first day of June next.

Upon Stock subscribed by persons residing west of Wisconsin River, not heretofore assessed, an instalment of twenty per cent is required to be paid on the first day of June next.

The said payments to be made at the office of the Treasurer of the Company, in the City of Milwaukee.

By order of the Board of Directors.

A Wonderful Discovery has recently been made by Dr Curtis, of this city, in the treatment of Consumption, Asthma and all diseases of the lungs. We refer to "Dr. Curtis's Hygeana, or Inhaling Hygean Vapor and Cherry Syrup." With this new method Dr. C. has restored many afflicted ones to perfect health; as an evidence of which he has innumerable certificates. Speaking of the treatment a physician remarks:—It is evident that inhaling—constantly breathing an agreeable, healing vapor, the medicinal properties must come in direct contact with the whole of the aerial cavity of the lungs, and thus escape the many and varied changes produced upon them when introduced into the stomach, and subjected to the process of digestion. The Hygeana is for sale at all the druggists throughout the country.—New York Dutchman, Jan. 14th.

DR. C. P. FITCH,
Dentist,
(LATE OF NEW YORK CITY,)
HAS THE PLEASURE OF ANNOUNCING TO THE Citizens of Milwaukee, that he has opened Rooms in the
Law Buildings, Wisconsin Street,
FOR DENTAL OPERATIONS.

Dr. F. introduces to this community the New Method of constructing Artificial Dentures on Platinum, called

DR. J. ALLEN'S
Continuous Gum Work,

combining cleanliness, great beauty, with life-like expression, strength, utility, and restoration of the form and contour of the face. This work is unequalled, and stands preeminently first, and will sooner or later take the precedent over the various kinds of Artificial Dentures manufactured in this or any other country. Specimens may be seen at his Room any time during office hours.

After twelve years experience in dental practice, Dr. F. takes great pleasure in warranting all operations in the mouth, such as Gold Stopping, Gold Plates, Teeth on Pivots, Teeth regulated, cleansed and extracted, &c.

Strict attention will be paid to all diseases arising from, or in any way connected with decayed teeth. Also, counsel given in reference to the management of children's teeth. Advice and counsel given without charge.

Office hours from 8 A. M. to 12 P. M., from 2 to 6 P. M., and from 7 to 9 P. M.

Holloway's Pills—An Admirable Remedy for the Cure of Bile, Indigestion and Liver Complaints.—An American lady, the widow of an officer in the E. I. C. Service, had been residing many years in Calcutta, where her liver and stomach had become so deranged that she could with difficulty digest any kind of food. She suffered almost unceasingly from sick headache, nervousness and lowness of spirits, the results of a debilitated constitution. The medical aid she had there was of no avail, and her friends advised her to take up her residence at her sister's, in Savannah, Georgia. The latter lady persuaded her to have recourse to Holloway's Pills, which in about six weeks restored her to sound and perfect health, to the astonishment of her benevolent sister, who had given up all hope of her recovery.

From Madison.

EDITORIAL CORRESPONDENCE OF THE SENTINEL

MADISON, Feb. 27.

I enclose a bill, laid upon our tables this morning, relative to the subject of depreciated currency. The Swamp Land bill also made its appearance printed this morning.

In Senate:

Bills introduced:

By Mr. Loy, providing for sale of Swamp Lands.

By Mr. Loy, to divide the 4th and organize the 10th Judicial District.

Mr. Giles, charter of Wisconsin Teachers' Association.

(The bill introduced yesterday by Mr. Harvey for an amendment of the Constitution increasing the pay of members to $4,00, is liable to be misunderstood, without its being stated that the bill *also propose to limit the length of the session of* the Legislature to 40 days.)

Resolutions:

By Mr. Reymert:

A preamble asserting that after seven weeks' session, no fraud or corruption has been fixed upon the state officers, with a resolution calling upon the committees to report as soon as possible, so as to relieve the minds of the people.

More of this hereafter.

By Mr Cobb, introduced yesterday, to receive a new business after the 28th. After a call of the Senate and numerous motions, it was finally postponed indefinitely.

Mr Bowen, from Committee on claims, reported bills

To pay A Proudfit $45,153 on his contract for the South Wing of the State Prison. Also $1400 more, when completed.

To pay A W Starks $119.

Mr Kelsey called up the Assembly resolution to suspend the sale of school lands, and moved to postpone it indefinitely. Mr. Wakely moved to table it: *Carried.*

The bill restricting the sale of these lands to actual settlers came in from the Assembly, and the Senate concurred in the amendment. So *the bill has finally passed.*

It being understood, that it was still necessary to suspend the sale until this law could take effect, Mr. Giles moved to take up the last resolution again. Carried, and a debate ensued which ended by adopting a substitute by Mr. Taylor, suspending the sales till the publication of the bill just mentioned.

Mr. Harvey introduced a bill relative to weights and measures.

The following bills passed:

Charter of Fond du Lac and Lake Superior Railroad Co

Amending charter of Kenosha and Beloit R. R. Co.

Repealing charter of Madison and Swan Lake R. R. Co, and amending charter of Portage City and Lake Superior R. R. Co

Adjourned to to-morrow.

In Assembly, 9 A. M.

Petitions were presented:

By Mr Bennett, *to tax church property.*

By Mr White, against any change in the system of county government.

By Mr W R Taylor for a liquor law.

By Mr Chase, the account of R King and Co.

Bills were introduced:

By Mr McIndoe, amending charter of Wisconsin Lumbermen's Insurance Co.

By Mr Bennett, changing name of I L Brom to H L Grim.

By Mr P H Smith, memorial for mail route.

By Mr P H Smith, for certain state roads

Reports of Committees:

Mr Colley, from the Committee on Printing reported on the subject of the cost of the Documentary History, with other matters relating to it. The Committee report that the amount expended previous to 1854 was $2200,00. That the two volumes now printed, at $1,30 per volume, would cost $13,000 more. That the other three volumes at the same price would make $19,500 in addition, making the cost $34,700; and that in addition, Gen. Smith is to be paid for his services. If the three volumes last *mentioned are to be printed at* 50c per volume, in accordance with proposals made, then the cost would be $22,700. They think that the Legislature had a *right* to pass the law of last winter and that the state printer's contract was not violated by it. They think that by strict construction, the Governor was not compelled to *advertise for* proposals for the printing of the first two volumes, but they regret that there was no opportunity given for competition They had examined the work as *furnished*, and do not think that its execution complies with the terms of the law; and if the style of binding is the "modern style of binding works of state history, *they think it would have been better* to adopt a more ancient style. They think, under these circumstances, that the state is not bound to pay $1 30 per volume. They suggest whether or not it may be advisable to print the work in a better form, and whether or not there exists any immediate necessity of printing the rest of the volumes.

The Report was ordered printed.

The bill restricting the sale of school lands to actual settlers and in limited quantities, for which *a substitute had been* passed by the Senate, was taken up, and the substitute adopted, with an amendment making the law take effect from the day of its publication.

A long list of Senate bills were read twice and referred,

Bills on third reading:

Charter of Franklin Insurance Co—*passed.*

Repealing appropriation of $3000, to the State Agricultural Society, and making annual appropriation of $500. Mr. Goss spoke briefly against the bill and in favor of the present appropriation. The vote was taken by ayes and noes, and was 33 to 33 till two members were called again, when it stood 35 to 32 and the bill *passed.* A motion to reconsider failed, 31 to 37 The bill appropriating to Rufus King & Co, for the purchase of Supreme Court Reports was *passed*, by the following vote:

Ayes; *Abbot, Adams, Allen, Bennett,* Boyd, *Cary, Chase, Colley,* Cross, DEWOLF, Ebbetts, *Field, Gary, Goodall,* W. *Grant,* Cunn, *Harrington, Hullenbeck, Hooper, Howard,* Hull, Isham, Juneau, *Lewis, Lee, Love,* Martin, *McIndoe, Merriam, Merrill,* Mosenwitz, *Mosher,* O'Neil, *Parker, Pratt,* Ramsey, RANDALL, Rose, Schweffel, *Schrage, Sherman,* P. H. Smith, *A. Taylor, Warren,* White, *Williston*,—46.

Noes, Barns, Bond, DELANY, Downs, Fisher, Gibb, Goss, Griffin, *Kirkpatrick*, Ragan, Rood, Rusn, B. Smith, W R. Taylor, Vilas, Vliet, *Wakely*, Whirry,—18.

The large number of democrats in the affirmative on the passage of this bill is under the circumstances a sufficient vindication of its justice.

The bill chartering the village of Horicon also *passed.*

In Committee of the whole, Mr. Gunn in the chair, a number of important bills were considered.

The bill providing for a change in the system of county government was debated by Messrs. Hull and Vilas in favor, and Gary and Pratt against, and an expression made by the Committee in favor of killing the bill.

The bill providing for bringing the Capitol lands into market, was discussed. Mr. Thompson spoke in favor, on behalf of sundry settlers who had gone on to the land, and Messrs. Bennett and Gary against, on the ground that the lands had better lie as they are till they are needed for a new capitol, instead of being disposed of now. The Committee voted with the last named Speakers.

After the Committee rose, Mr. A. Taylor, by request, moved to reconsider the vote killing the Iowa county seat bill. After considerable discussion, the vote was taken, and the motion lost by a tie vote, 34 to 34.

On motion of Mr. McIndoe, the Swamp Land Bill was made the special order for Monday next and thereafter till disposed of

On motion of Mr. Martin, the Census Bill was made the special order for Tuesday and thereafter,

Mr. Bennett moved to adj. to 2½ P. M. Mr. Hull moved to adjourn—lost. Mr. Earnest moved to adjourn to 3 P. M. After a sharp squabble of a few moments on a question of order as to the propriety of adjourning to a time certain, the motion to adjourn was renewed and carried.

Abstract of Wednesday Morning's Proceedings.

Madison, Feb. 28.

SENATE.—Mr Reymert's Administration resolutions, on motion of Mr Wakely, and after an able speech by Mr. Taylor, *were indefinitely postponed*, 15 to 7!

Bills passed:

Charters of Lake Superior Mining Co, and Jamestown Co.

Charters of Jefferson Co. Mutual Home Insurance Co.

Amending charter of Rountree Mining Co.

Providing for election of Register in Washington Co.

Providing for election of Sheriff and District Attorney in Washington Co.

Changing time of Courts in La Crosse, Bad Ax, and Crawford.

A State road bill.

Vacating a street in Richland City.

Amending ch. 88 R. S. relative to Justices Courts.

Appropriating to Deaf and Dumb Asylum.

Thirteen other appropriation bills,

Adjourned.

ASSEMBLY.—Among the petitions was one from 9 prisoners in Dane Co. jail for a Prohibitory Liquor Law.

Resolutions; to meet at 2½ P. M. on the general file, on and after March 1st. *Adopted.*

Enquiring as to whether the state has a title to the swamp lands. *Adopted.*

The special order,—the temperance bill—occupied most of the morning. Numerous amendments were adopted in Committee. One proposing to exempt beer, native wine and cider, was voted down by a large vote. Committee rose and reported in favor of passing the bill. Mr. Downs offered a substitute. The friends of the bill carried a motion to take a recess to 3 P. M.

Conflicting Oracles.

There appears to be a slight difference of opinion between the twin organs of the Sham Democracy in this city, as to the men and measures at issue in the approaching Charter Election.—The *News* is of opinion that the City Government, during the past year, has been badly administered, taxes *too high*, economy turned out of doors and even hints at some ugly stories about the Straight Out and the Dredging contracts, which need investigating by "*new men.*" The *Wisconsin*, on the other hand, that complaisant journal, which

> "Crooks the pregnant hinges of the knee,
> That thrift may follow fawning,"

is quite delighted with our present City Administration, thinks there never was just such another set of officers, admires the faithful manner in which they have all done their duty, and is especially pleased with our financial condition: Of course the fact that the *Wisconsin* happens to be the "Official paper," and the recipient of corporation pap, had nothing to do with this disinterested *opinion.*

The following paragraph from the *News* of yesterday, is certainly suggestive, if not flattering:

> We learn there is another movement on foot, which, perhaps, it may be well enough to allude to. The small fry connected with the *Wisconsin* office, who have been favored with sops from the School Fund, or an interest in *some* doubtful operations in School Lands, or been fed in some other way from the State Treasury, are stealthily at work to have something done at the City Convention to-morrow that can be construed into half-way endorsement of the present State Administration. The experiment to make the democracy *of this city dangle* at the fag end of the "Balance" in the present dubious condition of affairs at Madison, appears to us to be a perilous one, to say the least of it. We have mismanagement enough nearer home to apologise for and gloss over.

TOO MANY ALREADY.—We notice that a bill was introduced into the Senate Tuesday dividing the 4th and creating the 10th Judicial Circuit. We have just about *four Circuits* too many *now*, and if the Legislature would reduce the the number to *five*, instead of increasing it to *ten*, the People would thank them for the service.

A NEW TEST OF PATRIOTISM.—The Sheboygan Lake *Journal*, a so-called "*democratic*" paper, in a notice of the Legislative proceedings on the 22nd February, says;

> The democratic Senate, on meeting in the morning, promptly adopted a resolution to adjourn "in honor of the memory of Washington."
> The Shanghai Assembly, at the same time, three times refused to adjourn "in honor of the memory of the *immortal* George Washington" Such is the difference between democracy and federalism alias Shanghai-*ism.*

Our readers, no doubt, take the point. Democracy, as preached by the Senate, is beautifully illustrated by their taking holiday at the public expense, under *the shallow and impudent plea of* "honoring the memory of WASHINGTON." Republicanism, as practiced by the Assembly, is fittingly exemplified by their continuing in session and at work, in the well-founded belief that this was the true way to "honor the memory" of a Hero and Patriot, who was especially remarkable, during his long and illustrious *career, for economizing the public time and money* "Such is the difference" between Sham Democracy and genuine Republicanism. We concur with our Sheboygan contemporary *in inviting* the People to make a note of it

WHAT THE LEGISLATURE HAVE DONE.—We invite attention to the article in this morning's paper, from the Madison *Patriot*, a Democratic paper, setting forth, frankly and specifically, what our Legislature has already accomplished in the way of RETRENCHMENT AND REFORM.

THE PACIFIC RAIL ROAD.—The Senate on the 20th ult. *passed* the Pacific Rail Road bill—a trunk line with three branches—by the following vote:

YEAS.—Messrs. Badger, Bell, Benjamin, Dodge of Wisconsin, *Dodge of Iowa*, *Douglas*, Foot, Gilette, Gwin, Hamlin, James, Johnson, Jones of Iowa, Jones of Tenessee, Morton, Rusk, Sebastian, Seward, Shields, Slidell, Stuart, Toucey, Wade and Weller—24.

NAYS—Messrs. Adams, Allen, Bayard, Brainerd, Brodhead, Brown, Butler, Chase, Clayton, Dawson, Evans, *Fitzpatrick*, Geyer, Hunter Mason, Pearce, Pratt, Sumner, Thompson of Kentucky and Wells—20.

The title of the bill was then amended to read as follows:

Bill to authorize and facilitate the construction of a northern, a southern, and a central Pacific railroad and magnetic telegraph through the territories of the United States.

Its fate in the House, so late in the session, is problematical.

INDISPUTABLY TRUE.—The *Wisconsin*, in one of its lucid moments, makes the following sagacious remark:

> Let the Sentinel of *Monday*, mailed late at night, be kept in the Milwaukee office until *Wednesday* morning, how few in the country would take it.

Very few indeed, no doubt. The "*Sentinel* of Monday" is mailed Saturday night, and if 'kept in the Milwaukee P. O." as the *Wisconsin* pleasantly suggests, until the Wednesday following, would be very stale news. What especially recommends the *Sentinel* to "*the country*" is, that its readers invariably find in its columns all the latest news. The little arrangement which the *Wisconsin* proposes would rather damage that peculiar feature of the *Sentinel.*

DEATH OF AN EDITOR.—The Ithaca (N. Y.) *Chronicle* announces the death of D. D. SPENCER, for many years editor of that Journal, and well known and much respected in his own town and throughout the State. He died on the 18th of February, in the 56th year of his age.

ARREST OF ST. LOUIS MERCHANTS.—Messrs. Smith & Kennedy, doing a dashing furnishing business in St. Louis—originally coming west with a stock worth $125,000—were arrested on the joint requisitions of the Governors of Pennsylvania and Missouri, on the evening of the 22d inst. on the charge of attempting to defraud their creditors and consigned to jail. They were formerly in Chicago for a short time.

A HARD HIT.—Senator REYMERT's whitewashing resolutions, got up for the benefit of "Barstow and the Balance," were *indefinitely postponed* in the Senate, yesterday, by the emphatic vote of 15 to 7.

> ——Oh! where was HADLEY then?
> One blast upon his bugle horn,
> Were worth—three or four men.

SERIOUS CHARGE AGAINST THE POSTMASTER.—The *Wisconsin* of Monday makes the following specific charge of official misconduct against the city Postmaster:

"The country newspaper mail closes at 10 o'clock p. m. The *Sentinel* does not usually get to press before that time. But the *Sentinel's papers for the country mail are daily permitted to be mailed after that hour.* This is an important privilege."

This is a pretty piece of business, to be sure. A Postmaster who thus accommodates the Press and through them the public, clearly deserves *decapitation.* We can add an additional specification to the *Wisconsin's* charge. Some of the Clerks in the P. O., very likely at the instigation of the P. M., have been known to sit up, nights, *on purpose* to mail papers unexpectedly delayed. And we are credibly informed that this monstrous "privilege" has been extended, not to the *Sentinel* alone, but to the entire City Press!

CANDIDATE FOR SUPREME COURT JUDGE.—The Grant County *Herald* of Feb. 26th, announces JAMES H KNOWLTON, of Shullsburg, as a candidate for Associate Judge of our Supreme Court at the approaching April Election. The *Herald* speaks highly of Judge KNOWLTON's talents and character.

Another Call for Investigation.

Whenever the State Administration is driven into particularly close quarters, the fact may be instantly discovered by the clamor of the organ *for* "investigation." It is like a flock of geese who cannot be so utterly routed and discomfitted but that *the moment* their pursuer gives them an opportunity to catch breath, they will half deafen him with exultant squalls as of victory—When the organ grows clamorous for "investigations," it is a sure indication that some of its friends are hit. Mr. Gunn made a report the other day, showing the accuracy with which the School Land Commissioners keep their books—Not being able to contrive any defence for such an aggregation of stupidity or wilful perversion, the "organ" on the following day is blatant for investigation. It devotes about a column to the subject, of which the following will answer as a specimen:

> Nearly seven weeks of the session have elapsed. At its commencement, the State officers invited and demanded the most thorough investigation into all the official acts The first step toward investigation have not yet been taken *It has* been shuffled off and delayed not by those accused of wrong, but by the accusers, and those at whose hands scrutiny was asked. Let the people judge by this where the wrong, the scandal, and the outrage exists!

The cool, deliberate falsehoods in the above, constitute but a single feature of the paragraph. It is well known that there have been numerous committees of investigation appointed that one committee has shown that the Governor has drawn money from the Treasury under the provisions of a law that had been repealed; another that there has been the grossest carelessness or dishonesty in keeping the accounts of the School Land office; it has been discovered that nearly all the reports of the department teem with errors; that the Governor's message misrepresents former administrations in order to apologize for his own, &c., &., while a number of committees are about ready to report on other equally interesting subjects, and yet we are told that nothing whatever has been done towards investigating the affairs of the State.

The committee on the Lunatic Asylum would have reported before this time had they been able to procure the necessary documents printed in any kind of season. The whole business of the session is retarded in consequence of the remissness of the State printer. Important bills go to the printing office and remain there weeks. The reports of some of the Departments have not yet appeared. The Reports of the State Geologist, of the Regents of the University, of the Deaf and Dumb and Blind Asylums, and various special reports are mouldering unprinted in the hands of the State printer, while this paper under his control abuses the Legislature for its slow progress, and the committees for not reporting. Rebukes from such a source come with especial bad grace.—[Madison Journal.

The Legislature.

The Legislature is busily at work. The Assembly meet at 9 A. M. daily—sit until 1 P. M., going through the general file, and passing or defeating every proposition as it comes before them, generally without debate. The afternoon and evening until quite late, are occupied by the several investigating *committees*, who have a herculean task on their hands—By this plan, the business of the session has gone forward with greater expedition and perfection than any one previously held.

The number of bills thus far introduced in the Assembly is 300, and 18 memorials, of which one half are already disposed *of*; and the remainder are either under advisement, or in a shape for speedy action. The results thus far arrived at, as compared with last session, may be briefly summed up as follows:

Saving of Postage,	$4 000
" on Newspapers,	5 000
" Printing,	7,000
" Pay of Officers,	8 000
" Contingent Fund,	6,000
" Documentary History	8,000
" State Ag. Society,	2 500
Total,	$42,000

The Legislature has been in session seven weeks to-day. Eight weeks was the least that any one could have anticipated, and it will certainly close in ten. If an adjournment is carried on or about March 15th, and the various reformatory acts under advisement prevail, the following is not an over estimate of the additional saving to the people.

Per diem &c., of members	$12,000
Lunatic Asylum Contract	450,000
Other items	25,000
Total,	$487,000

The debt of the State created during the past year, *other than the* funded debt or sums borrowed, is more than $225,000. So that the Treasury is bankrupt, Had another year of such rule prevailed, without Legislative interference, a debt of full one *million of dollars* would have been the result. This Legislature will unquestionable save the people by direct action, not less than $500,000 during the present session. We speak this advisedly, and with a personal knowledge of what we say; and the result of the investigations now in progress will show that we are below, rather than above the mark.—[Madison Patriot, (dem.)

From the Cleveland Herald, Feb 23

The Law Triumphant.

The *most cheering* intelligence of the good results of the Temperance Law comes up from all portions of the State. Even in Cincinnatti the law is sustained, and the principal liquor dealers have bowed to its mandate. Judge Parker set an example of enforcing the law, and the Grand Jury returned indictments against some fifty of the main violators. When brought up for trial, the prison grates had no charms, and through *their* counsel a proposition was made to discontinue the criminal traffic, which was accepted by the Prosecuting Attorney, who consented to let indictments not found against the violators of the Liquor Law remain, if the parties would sign bonds for their appearance for trial, which would be less unprosecuted *temporarily*, on their signing a pledge to discontinue the illegal sale for the future. If they violate the same, he is to prosecute their cases to Court for trial, and the due execution of the law, on the indictments already found, and to bring suits in each subsequent case that can be found of violation. The following is the pledge:

> STATE OF OHIO, HAMILTON COUNTY, ss.—*Cincinnati*, February 16, 1855—This agreement witnesseth that we, the *undersigned*, hotel, tavern, restaurant, and coffee-house keepers, hereby agree, on our pledge of honor as *gentlemen* and good citizens, from the present to discontinue the sale of any other than the drinks permitted by the Ohio Liquor Law, and in good faith obey all the injunctions of that law, passed May 1, 1854, without any evasion thereof.

THOUGHTS OF SPRING.—Every appearance we can judge from, leads us to believe the spring will open upon Wisconsin with a dozen signals indicating prosperity, business and beauty. Hundreds of houses and barns are to be erected in most *every town* and thousands of acres of prairie are to be turned over. Where upon earth the men and horses & cattle and prairie plows and lumber are all to come from is a mystery to us and to all. Cheap lands and dear labor will, however, draw hundreds and thousands to these parts, whom no other inducements could persuade off to the wild West, to build our houses and subdue our lands. Recent financial troubles in the East and entanglements caused thereby, will also lead many westward. Most of them are poor, but such become the best citizens and ultimately the richest men of the country.—Teams will be in the greatest demand,—emigrants will not bring horses in proportion to their numbers and wants, and there are not near enough to *supply the present* demand.—[Grant Co. Herald.

Political.

The Canal appointments will show changes in some of the principal offices. The lines are drawn—for or against a Northern Anti-Slavery party.—*Cor. of the Courier & Enquirer*

Right Sir!—drawn where they should have been drawn, years ago. Let no man undertake to remove these new landmarks. They are driven down immovably deep. The Party of Freedom is organized. It marches henceforth upon Slavery, till it retires from Federal Politics forever, and consents to remain a State Institution, and local Economical policy.—[Buffalo Democrat.

CITY MATTERS.

Bayard Taylor's Lecture.

Youngs' Hall was full to overflowing to hear Mr. TAYLOR'S, "India" on Tuesday evening. We have had no such audience this season. The house was even larger than those of the same lecturer last year.

Many of our readers are already familiar with Mr. Taylor's style. As a lecturer, he is remarkably easy and pleasing, his manner being entirely simple and without affectation, his voice musical and filling the Hall without apparent effort.

His lecture on Tuesday evening was a most instructive and pleasing, though necessarily hasty view of the country and people of India, enlivened by anecdotes and enriched by occasional passages of real eloquence and rare poetic beauty.

No one, who heard him, can soon forget his thrillingly impressive description of his own approach to the lofty *Himmaleyah's* "the pillars of heaven." The *rat election* of the audience was shown in their marked and unflagging attention to the speaker to the end, even those who were compelled to stand, being sorry when the lecturer closed, that he had not taken time to tell them all he knew of that remarkable country and its people. He gives his second Lecture *this evening* on "the Philosophy of Travel" in which all must allow that he is an *expert* and competent, as the lawyers say.

He has given us now three lectures on where he has been, and we think he will have a house fuller yet to hear *how he did it.*

Certainly the author of the "Journey to Central Africa," the man who has *travelled over a good part of a hemisphere* and taken its "views *afoot*," who has taken *Hasheesh* by the quantity and travelled among the Arabs as a Bedouin, and who has seen the *Elephant* he told us of on Tuesday, in India, must have a system of philosophy on such things worth hearing.

Destructive Fire—Six Houses Burned.

A destructive Fire broke out, about three o'clock yesterday morning by which six houses were entirely destroyed. The buildings were situated on the North East corner of Reed and Oregon Streets, in the Fifth, Ward. The fire was discovered between two and three o'clock and originated in the Baker's shop of Mr Pfeiffer The flames spread rapidly, consumed the whole square of houses on the corner, The buildings, were owned and occupied as follows; Mr. Pfeiffer, Baker Shop; owned the building; Caspar Balz owned two buildings, one of them occupied by Julius Weigler, as a grocery and dry goods store, and the other by four families; another owned by Henry Meyrose, occupied as a liquor store by Martin Olson; another owned by Henry Surges and occupied by Surges & Knurr as a grocery and provision store. The other was the Mississippi House, owned and occupied by Frank Conrad. In the different buildings burned, no less than fifteen families lived, who are left suddenly without shelter, and some of them entirely destitute So rapid was the progress of the flames that Mr. Pfeiffer and his family had but just time to get into the street with only their night clothes on, He was insured but $200 in all, which, with $900 upon Surges & Knurr's stock, is all the insurance we heard of.

This fire furnishes another "loud call" to our citizens and Common Council to provide Water Works for our City. The Fire Department could do but little for the want of water, the only source of supply *being* the river, and a line of four engines being required to bring it thence. The Firemen worked hard for two hours, in a very cold night, and succeeded, with *some* difficulty, in confining the ravages of the flames to the limits named.

DEMOCRATIC NOMINATIONS.—The regular Democracy of the Third Ward have nominated JOHN SHORTELL, Alderman for 2 years, DANIEL KENNEDY, Alderman for 1 year; A. McCORMICK, for Assessor; JOHN H RYAN, Constable, JOHN KELGAN, for R. R. Commissioner.

The same party in the Second Ward have nominated H Hartel, Alderman for 2 years; CONRAD MEYER do. for 1 year, Joseph Kluppack for Assessor, George Fischer, for Constable and Joseph Walter, for R. R. Commissioner.

The Democratic City Convention to nominate Candidates for Mayor, Marshall &c, meets in the Council Room at 2 P. M. this day.

FIRST WARD NOMINATIONS.—The Democracy of the First Ward, at their Caucus yesterday afternoon, nominated, without material opposition, the following ticket:

Alderman for 2 years—Jackson Hadley.
Alderman for 1 year—Victor Schutte.
Constable.—Fredrick Kessler.
Assessor—Patrick Nicol.
R. R. Commissioner—Herman Schwarting.

Messrs. Hadley, Schutte and Kessler are the present incumbants.

INDEPENDENT CANDIDATES.—Huron Powers, at present Alderman from the Fourth Ward, is an independent candidate for a re-election. Geo. A. McGarrigle, who was Constable in the First Ward, last year, and Patrick Moloy Jr., Constable in the Fourth Ward, are again candidates for the same office. These are all appeals from the Caucus to the People.

"TURN ABOUT IS FAIR PLAY."—Yesterday afternoon Senator HADLEY was nominated by the regular Democracy of the First Ward as their candidate for Alderman. This is no more than fair, seeing that Alderman HADLEY was nominated by the same party last fall, as their candidate for Senator. We observed Senator HADLEY, on hand yesterday, busily superintending the nomination of Alderman. No doubt, as soon as election is over, Alderman HADLEY will, in return, hasten to Madison, to help discharge the duties of Senator. This is a very pleasant family arrangement.

CIRCUIT COURT.

JUDGE HUBBELL, PRESIDING.

Wednesday, Feb. 28

The trial of Charles Zastro, for larceny in a dwelling-house, was commenced in the *forenoon*; the District Attorney prosecuting and J. L Doran defending. The Grand Jury were discharged in the forenoon, they have brought in a number of indictments which we are not yet at liberty to publish, the parties not having been arrested.

"HOW DOES SHE HEAD?"—The *Wisconsin* puts up the "regular democratic" ticket in the 4th Ward, but has not even a civil word to waste upon it. On the contrary it devotes a paragraph to a special puff of Ald. Powers, who having failed to obtain a "regular" nomination is trying on the "*independent*" dodge. Is the *Wisconsin* for the "regulars," or "bolters?" The *News*, we notice, warns Mr. POWERS off the course. Of course, he will "*discontinue*" immediately.—Things appear a little "mixed" in the Fourth.

LIVELY TIMES ON THE RIVER.—The River, between Walker's Point and Spring St. Bridges, presented an animated spectacle yesterday afternoon. A number of the fastest horses in town with drivers to match, were showing off their paces on the ice to a large crowd of admiring spectators. The fine weather and capital sleighing *seemed to be* thoroughly enjoyed by all.

ANOTHER KEEL.—Captain Barber has commenced laying the keel for another vessel of the following dimensions, 52 feet keel, 7 feet hold, 23 feet beam, 130 tons register. This vessel is being built for J. B. Smith and is destined for the Lake Superior trade. Milwaukee will soon have a small fleet there—the *Fur Trader*, the *G. W. Ford*, and the one now commenced—the latter two of Capt. Barber's building.

SHOP LIFTING.—A woman named Mary Murphy, was arrested yesterday morning, by officer Seifert for stealing a piece of flannel from Dyke & Hoffman, of the value of $12. The woman was taken to jail about half past nine, the Grand Jury being in session at the time the case was immediately taken before them, and the indictment was found by ten o'clock.

SALES OF REAL ESTATE.—Caleb Wall sold yesterday lots 1 and 4, Block 29, in the Second Ward, for $2200, and lot 7, Block 66, in the First Ward, on Main Street, north of Johnson, for $2900

The following sales of real estate in the second Ward, have been made during the past ten days:

One lot, by R. D. Jennings, on Prairie street near 4th, with a frame dwelling thereon, for $2,000.

Three lots at the corner of 11th and Cherry streets, by E. L. Phelps, for $2,500.

One lot, containing a brick dwelling, at the corner of Prairie and Twelfth Sts., by Charles Must, for $5,000.

One lot on 4th street, between Prairie and Tamarack sts., with a frame dwelling thereon, by Judge Jenkins, for $1,406.

THE WEATHER.—The weather has moderated sensibly, since *Monday* night, and yesterday the sunshine had almost a springlike feel about it! The snow and ice thawed rapidly during the middle of the day, making the walking rather moist.

MILWAUKEE FEMALE COLLEGE.—The meeting of Trustees which was to have been held to-night, has been postponed until to-morrow (Friday) evening, at 7 o'clock, at the Office of *Messrs* Waldo & Ody.

"BY THE GAS LIGHTS, DIMLY BURNING."—The Gas lights for some evenings past have been very dim. What is the matter? Cannot the Company brighten up a little?

For the Daily Sentinel.

A Nuisance in the Second Ward.

Messrs Editors:

You will confer a favor on the public and the *travelling community in particular*, by calling the attention of the Aldermen of the 2nd Ward, to a nuisance on the corner of Sixth and Chestnut streets. The side walk has been washed away to the depth of *four or five feet*, endangering the lives of the passers by. The citizens in the neighborhood have petitioned the Aldermen several times to no purpose, *as they are never* seen unless on Election days, or improving property in their own neighborhood. If a man should fall in this gulf and break his limbs, thereby costing the city an *amount of money*, it might be seen to then when the harm was done. The side walk should be repaired immediately, and we hope this notice, through your public journal, will cause those City Fathers to cast a few loads of gravel into this gulf and save damage and cost. We pay sufficient taxes, surely, for the purpose.

Respectfully, Yours,
MANY CITIZENS.
On Chestnut Street.

SERIOUS ACCIDENT AT WEST POINT.—While the first platoon of the first class cavalry were engaged, yesterday morning, in their usual *exercises* in the hall, an accident occured which came near having a fatal termination. The class was engaged in cutting off the canvass heads, and running at the rings while their horses leaped the bar—The hall is very much too small, and some of the horses were very restive, and were with difficulty compelled to take the leap in such a confined place. One of them, ridden by Cadet E. Gay of Vermont, while going at full speed towards the bar, suddenly swerved, and turning round, ran back towards the other end of the hall, encountering on the way another horse also at full speed. Cadet Gay's leg struck the shoulder of the horse, and was badly broken in two places, one below and the other above the knee. Cadet Childs, who was mounted on the other horse, was brought to ground senseless by the shock, but recovered in a few minutes without having sustained any apparent injury. The officer of the day, Cadet Capt. Merrill, and Cadets Bennett and Webb, promptly carried the wounded man to the hospital, where he now lies in a very precarious condition,—[N. Y. Herald, 21.

A SLAVE PRISON FOR MICHIGAN.—The people of Michigan having refused to allow their jails to be used by slave hunters, one of their Senators at Washington (Mr. Charles Edward Stuart) has introduced a resolution for the erection of a fugitive slave *Prison* in the Peninsular State. This is a specimen of obedience to the instructions just sent him "to use his best exertions to procure the repeal of the Fugitive Slave Law." When the prison is completed, we would suggest the appointment of the present senators of that State to the offices of Marshal and Jailor respectively, as they will soon have leisure to devote their entire energies to this business. A great work *is before them.*—[N. Y. Tribune.

"WAUKESHA COUNTY BANK."—We learn that a bank, with the above name, will soon be ready to commence operations in this village, with Absalom Mine, Esq., President, and C. O. Barnes Cashier. The capital stock is owned by six or eight of our most wealthy citizens, whose known ability and integrity will be a sure guarantee of its success. We are opposed to banks upon "general principles;" but we shan't refuse the notes of this bank.—[Plaindealer.

A WONDERFUL DISCOVERY has recently been made by Dr Curtis, of this city, in the treatment of Consumption, Asthma and all diseases of the lungs. We refer to "Dr. Curtis's Hygeana, or Inhaling Hygean Vapor and Cherry Syrup." With this new method Dr. C. has restored many afflicted ones to perfect health; as an evidence of which he has innumerable certificates. Speaking of the treatment a physician remarks:—It is evident that inhaling—constantly breathing an agreeable, healing vapor, the medicinal properties must come in direct contact with the whole of the serial cavity of the lungs, and thus escape the many and varied changes produced upon them when introduced into the stomach, and subjected to the process of digestion The Hygeana is for sale at all the druggists throughout the country.—*New York Dutchman, Jan. 14th.*

SPECIAL NOTICES.

GOING! GOING!! GOING!!!
At No. 19 Spring Street,
MILWAUKEE, - WISCONSIN.

THE WINTER IS NEARLY OVER! The music of the sleigh-bells is sadly mixed with the harsh grating of iron-shod runners, as they drag heavily over the worn-out snow-track. Spring, with its genial sun and balmy air, is coming on apace. Glad smiles are struggling to the stern countenance of Nature.

And under their joyous influence,

ADLER & NEWBOUER

Would once more thank their many patrons for their kindly favors, and remind them and the world at large that they are still ready to sell

DRY GOODS

CHEAPER THAN ANY OTHER HOUSE IN THE WEST!

We have a

Full Stock of Rich Goods,

Consisting of all kinds of Goods found in Dry Goods Stores, viz:—
DOMESTIC GOODS of all kinds;
DRESS GOODS, Plain and Fancy
EMBROIDERIES, of every variety and style;
CLOTHS, CASSIMERES, LINEN GOODS, &c.
And in BROCHE, SILK, WOOL and CASHMERE

SHAWLS,

We Defy Competition!

Our Stock is always full, and everything is warranted as represented. We are at all times happy to show our Goods, and hope, by attention to our customers and fair dealing, to retain the patronage of our old friends, and induce others to realize that it is for their interest to

WILL SELL
DRY GOODS

The ensuing Three Weeks CHEAPER than they have ever been sold before, as the Store will POSITIVELY BE CLOSED on or before the 1st of March, and we are desirous of disposing of our ENTIRE STOCK, previous to removing to our

NEW STORE,
No. 181 East Water Street,

We therefore offer the balance of our remaining stock on hand, at

25 per cent. Less than Cost,

And even at LESS to insure a rapid sale within the time specified.

We have no "brothers who are always in the Eastern Markets," buying and selling ready made clothing, but we buy our goods direct from Manufacturers, Importers or Jobbers, without paying a second profit; and being entirely independent in our own means and resources, our Establishment being designed for the public benefit, it has under our management attained that favoritism and popularity which is unknown to any other public or private establishment. And we assure our customers that we are entirely willing to give them the full benefit of our selling at even 25 per cent less than cost, in order to remove to our New Store, built expressly by us for the accommodation of our increasing trade; and with the unfailing resources of our concern, and our strict attention to business, we are enabled to sell goods

At Least 30 per Cent Less

than the prices asked at other stores.

THIS ESTABLISHMENT KNOWS NO OPPOSITION, ADMITS NO RIVAL but can, will and does outsell and undersell any establishment, Wholesale or Retail, West of New York!

This is strong language, but it is a happy fact that we can support it with an abundance of proof, which if you avail yourself of this opportunity, we shall be most happy to demonstrate to you.

DR. C. P. FITCH,
Dentist,
(LATE OF NEW YORK CITY,)

HAS THE PLEASURE OF ANNOUNCING TO THE Citizens of Milwaukee, that he has opened Rooms in the

Law Buildings, Wisconsin Street,
FOR DENTAL OPERATIONS.

Dr. F. introduces to this community the New Method of constructing Artificial Dentures on Platinum, called

DR. J. ALLEN'S
Continuous Gum Work,

combining cleanliness, great beauty, with life-like expression, strength, utility, and restoration of the form and contour of the face. This work is unequalled, and stands preeminently first, and will sooner or later take the precedent over the various kinds of Artificial Dentures manufactured in this or any other country. Specimens may be seen at his Room any time during office hours.

After twelve years experience in dental practice, Dr. F. takes great pleasure in warranting all operations in the mouth, such as Gold Stopping, Gold Plates, Teeth on Pivots, Teeth regulated, cleansed and extracted, &c.

Strict attention will be paid to all diseases arising from, or in any way connected with decayed teeth. Also, counsel given in reference to the management of children's teeth. Advice and counsel given without charge.

Office hours from 8 A. M. to 1 P M, from 2 to 6 P. M., and from 7 to 9 P. M.

HOLLOWAY'S PILLS—*An Admirable Remedy for the Cure of Bile, Indigestion and Liver Complaints.*—An American lady, the widow of an officer in the E. I. C. Service, had been residing many years in Calcutta, where her liver and stomach had become so deranged that she could with difficulty digest any kind of food. She suffered almost unceasingly from sick heads he, nervousness and lowness of spirits, the results of a debilitated constitution. The medical aid she had there was of no avail, and her friends advised her to take up her residence at her sister's, in Savannah, Georgia. The latter lady persuaded her to have recourse to Holloway's Pills which in about six weeks restored her to sound and perfect health, to the astonishment of her benevolent sister, who had given up all hope of her recovery.

The advantages offered by this Company are many the public are invited to call upon the Agent and make themselves acquainted with the System adopted by the Company, when they will be better able to decide whether Life Insurance is desirable or not, and at what Office their interest to Insure.

The many reasons why Fire and Marine Insurance should be adopted, are incontrovertible; and Life Insurance, while it in no way interferes with, or under these important institutions, has claims which no system of Insurance can have. Human existence on consideration, enjoy a much higher value *worldly property.*

While the representative of a family lives, (although neglect to insure his *property*,) he becomes rupt,) he supports his family; but at his *death*, their means of support, unless he has saved the want by an insurance on his life, which may be the payment of a small annual premium, the person which has not dissatisfied his own worldly comfort life.

If young, the annual payment will be light, and ed with profits, the policy will be constantly growing valuable, though the *premium* is not increased.

Clergymen and others who have a stated and income, *should insure*, well knowing that, at their their families may be left destitute,

Men engaged in mercantile or manufacturing ever varying and uncertain in their cases, *should*

Student Drowned at Racine.

[SPECIAL DESPATCH TO THE SENTINEL.]

Racine, Feb. 28

This P M a young man named URIAH P HARRIS son of Mr Harris clothing merchant, of Chicago, went on the ice in the lake and fell through and was drowned He hung to the ice as long as possible and then sank He was so far out that assistance could not be rendered him. Prof P... came down to lake immediately, and started several men with life boats in search of the body, but up to our latest advices the body had not been found R

WHAT THEY DO WHEN IT SNOWS IN PARIS—The Paris correspondent of the N Y *Tribune*, in a recent letter says

"The chief Paris incident of the past week was a snow-fall of unusual depth and duration for Paris It was quite the same kind of snow as you have in New York, and not in itself curious or noteworthy But what is curious to New York eyes, is the treatment a snow-fall receives in Paris streets ... it fairly down in the streets than an army of sweepers, hoes, shovelers and carters ... with might and main and never let it alone till they have fairly carried it off ... to the Seine"

A NEW QUESTION FOR LAWYERS—A rare question has been raised in New Orleans, whether or not taking a telescope to a theatre, instead of an opera glass, is a breach of the peace Some sea captains, it seems, attended the St Charles, and between the acts amused themselves and the audience by "spying" at those provided with opera glasses and an *emeute* was the result One of the captains was arrested and the Recorder held him to bail, much to the surprise of the public *The Delta* says

"Manager De Bar has acted in this case in a ... manner, and the only amende he can make is to apologise to Mr Dickinson, and settle the affair ... Telescopes are too noble an institution to be put down by a De Bar"

The Springfield (Mass) *Republican* reports About at the time of the late State election and whig party spirit ran high, an energetic Know Nothing canvasser had in a flowery speech delivered in Melville, in Worcester county worked the foreign population up to a point of indignation past all endurance The day following, a crowd of Irishmen were collected, brooding over their fancied injuries, a gentleman ... noted for eccentricity, advanced among them and to their ... delight, commenced a violent denunciation of the new party Beneath his magic influence the alien audience became, in their own estimation, the pillars of the republic and as he warmed to his subject, Know Nothingism withered to a bare name under his scorching touch while cheer after cheer burst from the excited throng now rapidly increasing 'Who,' asked he 'built our railroads?' 'Irishmen,' was the enthusiastic reply 'Who dug our canals?' 'Irishmen!' 'Who built our state prison and almshouse?' 'Irishmen!' thundered a hundred voices 'Who fill them?' Waiting in vain for a reply, the ... champion clenched his fist and shouted 'Irishmen—you devil's—Irishmen!'

FIRE—The Wisconsin House in this village took fire about ... this morning and occupied by Peter S..., who lost everything in clothing, furniture, beds, stoves &c It is supposed to have caught in the back kitchen and so rapidly did the flames spread that the occupants barely escaped through the upper windows The building was insured in the Hartford Aetna for $800—[Menasha Advocate, Extra, Feb 26

LIST OF LETTERS
REMAINING AT THE POST OFFICE IN MILWAUKEE, MARCH 1, 1855

Extract from the Laws of the U. S.

SEC 5. And be it further enacted That lists of letters remaining uncalled for in any Post Office in any city, town or village where a newspaper shall be printed, shall hereafter be published once only in the newspaper which being published weekly or oftener, shall have the largest circulation within range of delivery of said office.

1. When the gross receipts of the Post Office for the then next preceding quarter shall not have exceeded $500, the Post Master shall publish each uncalled for letters once in six weeks.

When such gross receipts shall have exceeded $500 and not have exceeded $1000 the P M shall advertise once a month.

When such gross receipts shall have exceeded $1000 and shall not have exceeded $7500, the P M shall advertise twice a month.

And when such gross receipts shall have exceeded $7,500 the P M shall advertise once a week.

The Post Master General has adopted the following Rules and Regulations under the above provisions.

Persons calling for letters advertised below will please say "THEY ARE ADVERTISED."

Student Drowned at Racine.
[SPECIAL DESPATCH TO THE SENTINEL.]

Racine, Feb. 28

This P M a young man named URIAH P HARRIS son of Mr Harris clothing merchant, of Chicago, went on the ice in the lake and fell through and was drowned. He hung to the ice as long as possible and then sunk. He was so far out that assistance could not be rendered him. Prof PARK came down to lake immediately, and started several men with life boats in search of the body, but up to our latest advices the body had not been found. R

WHAT THEY DO WHEN IT SNOWS IN PARIS.—The Paris correspondent of the N. Y. Tribune, in a recent letter says

"The chief Paris incident of the past week was a snow-fall of unusual depth and duration for Paris. It was quite the same kind of snow as you have in New York, and not in itself curious or noteworthy. But what is curious to New York eyes, is the treatment a snow-fall receives in Paris streets. Hardly is it fairly down in the streets than an army of sweepers hoers, shovelers and carters attack it with might and main and never let it alone till they have fairly carted it off and thrown it into the Seine."

A NEW QUESTION FOR LAWYERS.—A nice question has been raised in New Orleans, whether or not taking a telescope to a theatre, instead of an opera glass is a breach of the peace. Some sea captains, it seems, attended the St Charles, and between the acts amused themselves and the audience by "spying" at those provided with opera glasses and an emeute was the result. One of the captains was arrested and the Recorder held him to bail, much to the surprise of the public. The Delta says:

"Recorder D Bit has acted in this case in a pompous and ridiculous manner, and the only amende he can make is to apologise to Mr Dickinson, and settle the affair cold. Telescopes are too noble an institution to be put down by a De Bit."

The Springfield (Mass) Republican reports. About the time of the late State election and while party spirit ran high, an energetic Know Nothing canvasser, had in a flowery speech delivered in Melville, in Worcester county worked the foreign population up to a point of indignation past all endurance. The day following, as a crowd of Irishmen were collected, brooding over their fancied injuries, a gentleman [illegible] noted for eccentricity, advanced among them, and to their great delight, commenced a violent denunciation of the new party. Beneath his genial influence the alien audience became, in their own estimation, the pillars of the republic, and as he warmed to his subject, Know Nothingism withered to a bare name under his scorching touch, while cheer after cheer burst from the excited throng now rapidly increasing. "Who," asked he "built our railroads?" "Irishmen," was the enthusiastic reply. "Who dug our canals?" "Irishmen." "Who built our state prisons and almshouses?" "Irishmen," thundered a hundred voices. "Who fill them?" Waiting in vain for a reply the whilom champion clenching his fist shouted "Irishmen—you devil's—Irishmen!"

FIRE.—The Wisconsin House in this village took fire about [illegible] It is running and occupied by Peter Sawyer, who lost everything including furniture beds, stoves, &c. It is supposed to have caught in the back kitchen and so rapidly did the flames spread that the occupants barely escaped through the upper windows. The building was insured in the Hartford Aetna for $600.—[Menasha Advocate, Extra, Feb 26

Hon A C Dodge, son of our Senator, Gen H Dodge, has received the appointment of Minister to Spain vice Soule resigned. Mr Dodge is a "very small pot tool" and not fit for the post."—Kenosha Advocate, (Dem)

In the matter of the application of Agnes Armitage Guardian of John Edwin, Agnes, and George David Armitage, minor children and heirs of David Armitage, deceased, for license to sell the Real Estate of said minors

IT appearing to the satisfaction of this Court, from the petition of Agnes Armitage guardian of John Edwin, Agnes, and George David Armitage minors, that it would be beneficial to said wards, that the real estate of said wards should be sold, and the proceeds thereof put out on interest, or invested in some productive stock
It is ORDERED, That said application be heard before me at the Probate Office in the city of Milwaukee, on the 24th day of March, 1855 at 10 o'clock A M and that the next of kin of said wards, and all persons interested in said estate appear before this Court at the time and place aforesaid, to show cause why license should not be granted for the sale of said real estate
Ordered further, That a copy of the above order be published for three successive weeks in the "Milwaukee Sentinel," a newspaper circulating in Milwaukee County, prior to said hearing
Dated February 26th, 1855
By the Court CHAS E JENKINS,
feb28 law3w County Judge,

10 SPRING STREET,
Milwaukee, - - - Wisconsin.

WE WILL SELL YOU GOODS AT PRICES FAR LESS than ever offered before, even as cheap as those now

Selling Out, Off, and Under Cost!

We will still keep on. We will sell you our Goods without fear of competition, AS WE KNOW OF NONE, for

LESS

THAN YOU HAVE EVER BOUGHT THEM WEST.

We can say to the Ladies, and Public in general, that they will do well to examine our

RICH STOCK OF DRY GOODS

Before they buy elsewhere, as we have proved to them already, since we have been in Milwaukee, that they can

BUY GOODS FOR LESS

At our House, than ever before sold in Wisconsin, (even cheaper than those) who are now

Selling Out, Off, and Under Cost!

Our advantages are such for buying Goods as to give our customers Goods

CHEAPER

Than they can generally buy them. Two of our firm are always in the Eastern market; also getting goods direct from Europe, without giving any second profit which enables us to sell

GOODS FOR LESS

Than are selling NOW, or HAVE BEEN able in Milwaukee for past years. Our stock consists of all kinds of Dry Goods, kept in East or West in Dry Goods Houses, such as Plain, Changeable, Plain and Striped Silks; Black silk, a large stock Merinoes; Plaid Wool and Silk Plaids; Dress Silks, Delaines, English Prints, Flannels, of all kinds; Silk Velvets, all widths; satin and Cloth Cloaks; Mantillas, Cashmere and Silk Shawls, with an

immense Supply of Brocha Shawls

Our Hosiery, Gloves, and Cashmeres, Domestics, all kinds of [illegible], Embroideries, &c, &c., and a thousand other things, too numerous to mention.

The above shall be sold at lower rates than ever offered before by any House in this city, or even by ourselves

☞ Please call and examine our stock, and you will find what we have stated is

No Humbug!

TO MERCHANTS, MILLINERS, PEDLARS.—We will sell them goods at regular New York jobbing prices, by adding transportation. Now please bear in mind

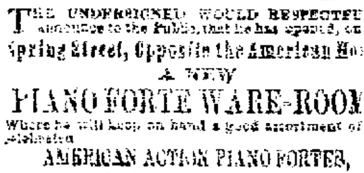
Milwaukee, Oct. 17, 1854. [illegible]



THE UNDERSIGNED WOULD RESPECTFULLY announce to the Public, that he has opened, on

Spring Street, Opposite the American House,

A NEW

PIANO FORTE WARE-ROOM!

Where he will keep on hand a good assortment of the celebrated

AMERICAN ACTION PIANO FORTES,

Manufactured by GEORGE HEWS, of Boston, Mass.

The patent American Action Piano Forte is distinguished for its great fullness, richness and sweetness of tone, evenness of scale, and delicacy of touch. The improvement in the Action renders it less liable to derangement, and also greatly facilitates execution. Numerous medals, diplomas and certificates have been received from various fairs and industrial exhibitions in different cities of the Union, from the World's Fair at London, and flattering testimonials from the profession, residents at Boston and elsewhere, among which are the following:

From the illustrious Pianist, L. M. GOTTSCHALK, to Mr HEWS, Agent at New York:

NEW YORK, Dec. 5, 1853.

MR. N. J. CURTISS:—

Dear Sir: Having had the pleasure of performing upon Geo. Hews' American Action Piano at the World's *Fair in this city the present year* and other of his Pianos at the Wareroom, which afforded me much gratification, I cheerfully recommend them to the public. I am very glad of the improvement in the action. These instruments likewise are of excellent tone, owing, no doubt, to the perfection of the scales.

Very Respectfully, L. M. GOTTSCHALK.

From the distinguished Pianist, WILLIAM MASON:

MR. HEWS:—Having repeatedly played upon the Piano Fortes manufactured by you, with the American Action, I am *free to acknowledge*, that for certainty and elasticity of action, power, purity and equality of tone, I have never seen them surpassed in the square Piano Forte.

WILLIAM MASON.

Purchasers and lovers of music in general, are respectfully invited to call and examine these instruments. These Pianos will be sold at Boston prices, and warranted to give satisfaction in every respect.

☞ Pianos to Let. Old Pianos taken in exchange, and liberal prices allowed.

☞ Pianos Tuned and Repaired.

N. Y. ADVERTISEMENTS.

FROM Vischer & Schell's General Advertising House, Appleton's Building, 346 and 348 Broadway.

A CARD.

WE BEG TO CALL THE ATTENTION OF DEALERS in Clothing, &c., about to visit New York this season, to our very large stock of

SPRING AND SUMMER CLOTHING,

As we feel assured they will find it, from its extent, variety, style, and cheapness, well worthy of their consideration.

Whilst the disposition of our manufacturers this season has been to greatly reduce their stocks, we have availed ourselves of the advantages of a low market for goods and labor, to manufacture a much larger stock than we have ever done; which, consequently, we will be enabled to offer at remarkably low prices.

We would respectfully invite an examination.

NEW YORK,

ARE NOW RECEIVING FROM PARIS, and manufacturing their Spring Stock of

MANTILLAS AND TALMAS,

Comprising every novelty of the French market; the whole making the largest, and we believe, the best selected stock of this class of goods ever offered in this city. Also, a very extensive and elegant assortment of

Shawls and Embroideries,

Which will be sold to merchants at prices to suit the times.

☞ Wire Show-Figures, for the exhibition of Shawls, Cloaks, Mantillas and Capes, always on hand, and of improved shapes.

Cash Music and Piano Store

OF

HORACE WATERS,

No. 333 Broadway, New York.

OPPOSITION TO MONOPOLY.

Music at Greatly Reduced Rates.

NOTWITHSTANDING the *combination of music dealers* to keep up the prices of non-copyright music, against the interests of native composers, and their refusal to extend to Mr. Waters the courtesies of the trade, he is making immense sales—having abundant evidence that he has public countenance and support in his opposition to the great Monopoly, and in his efforts to aid Native Talent, and to adopt the National Currency. His stock of American and European music is immense, and the catalogue of his own publications is one of the largest and best selected in the United States. He has also made a Great Reduction in the prices of Pianos, Melodeons, and Musical Instruments of all kinds. Superior toned 6½ octave Pianos for $175, $200 and $225, interior of as good quality, and instruments as strong and as durable as those which cost $500. Pianos of every variety of style and price up to $1000, comprising those of ten different manufactories; among them the celebrated modern Improved Horace Waters' Pianos, and the first premium Æolian Pianos of T. Gilbert & Co.'s make, (owner of the Æolian patent.) Second-hand Pianos at great bargains. Prices from $40 to $150. Melodeons from five different manufactories, including the well known S. D. & H. W. Smith's melodeons, (tuned the equal temperament,) the best make in the United States. Prices $45, $60, $75, $100, $115, $125, and $150. Smith's Double Bank Melodeons, $200. Each Piano and Melodeon guaranteed. The best terms to the trade, schools, &c. 12½ per cent. discount to clergymen and churches. All orders promptly attended to. Music sent to all parts of the country, post-paid, at the reduced rates. General and select catalogues and schedule of prices of Pianos forwarded to any address, free of charge. feb14 3mosV&S

USE THE

Magic Impression Paper!

For Writing without Pen or Ink, Copying Leaves, Plants, Flowers, Pictures, Patterns for Embroidery, Marking Linen Indelibly, and

MANIFOLD WRITING.

THIS ARTICLE IS ABSOLUTELY THE BEST PORTABLE Inkstand in the known world, for a small quantity folded and placed in the pocket constitutes a traveling Inkstand, which cannot be broken. No pen is needed, for any stick sharpened to a point, writes equally as well as the best gold pen in the universe. For drawing it is indispensable. It is, indeed, the whole art of Drawing and Painting—taught in one lesson. Any leaf, plant or flower can be transferred to the pages of an album with a minute and distinct resemblance of nature. With equal facility, pictures and embroidery patterns are taken, and have received the highest eulogiums from the fair sex; and, indeed, a more tasteful present for a lady could not be produced.

This Magic Paper will also mark Linen, or other articles, so as to remain perfectly indelible. All the washing in the world fails to bring it out. Any child can use it with perfect ease. With this Magic Paper, likewise, one or four copies of every letter written can be secured without any additional labor whatever, making it the cheapest article extant. It is used to great advantage by reporters of the public press, telegraphic operators and hosts of others.

Each package contains four different colors—Black, Blue, Green, and Red, with full and printed instructions, *for all to use*, and will last sufficiently long to obtain five Hundred distinct impressions.

It is put up in beautifully enamelled, colored envelopes, with a truthful likeness of the Proprietor attached. Each and every package warranted.

PRICE—$2 a Dozen; or, Five for One Dollar. Single Packages, 25 Cents. Address, post-paid,

N. HUBBELL, 167 Broadway, N. Y.

BROTHER JONATHAN

COOK STOVE,

I have sold the B. J. for the past three years. It has been thoroughly tested by thousands who will testify that it is the most complete Cook Stove that can be. I have four sizes of B. J. There is a summer attachment to the stove which will make half difference less of the amount of fuel used in the summer season and does away with all unnecessary heat which other stoves make that have not the attachment. The oven is much larger than any other stove of the same size in market. I warrant the stove to give complete satisfaction, if not, to be returned and money refunded. I will refer you to hundreds of the citizens of Milwaukee that are using the Stove.

PATENT MEDICINES.

AYER'S

CHERRY PECTORAL,

For the rapid Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

AMONG the numerous discoveries Science has made in this generation to facilitate the business of life—increase its enjoyments, and even prolong the *term of* human existence, none can be named of more real value to mankind, than this contribution of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt, that no medicine or combination of medicines yet known, can so surely control and cure the numerous varieties of pulmonary disease which have hitherto swept from our midst thousands and thousands every year. Indeed, there is now abundant reason to believe a Remedy has at length been found which can be relied on, to cure the most dangerous affections of the lungs. Our space here will not permit us to publish any proportion of the cures effected by its use, but we would present the following, and refer further enquiry to my American Almanac, which the Agents below named, will always be pleased to furnish free, wherein are all particulars, and indisputable proof of these statements.

Office of Transportation, Laurens R R, S C, Aug. 4, '53.

DR. J. C. AYER: Dear Sir—My little son, four years old, has just recovered from a severe attack of malignant Scarlet Fever, his throat was rotten, and every person that visited him pronounced him a dead child. Having used your CHERRY PECTORAL, in California, in the winter of 1850, for a severe attack of Bronchitis, with entire success, I was induced to try it on my little boy. I gave him a teaspoonful every three hours, commencing in the morning, and by 10 o'clock at night, I found a decided change for the better, and after three days use, he was able to eat or drink without pain.

Its use in the above named disease will save many a child from a premature grave, and relieve the anxiety of many a fond parent. For all affections of the Throat and Lungs I believe it is the best medicine extant. A feeling of the deepest gratitude prompts me in addressing you these lines,—but for your important discovery, my little boy would now have been in another world.

I am yours, with great respect,
J. D. POWELL, Supt. Trans., L. R. R.

Rocky Hill, Somerset Co., N. J., July 21, 1852.

DR. J. C. AYER:—Since your medicine has become known here it has a greater demand than any other cough remedy we have ever sold. It is spoken of in terms of unmeasured praise by those who have used it, and I know of some cases where the best they can say of it is not too much for the good it has done. I take pleasure in selling it, because I know that I am giving my customers the worth of their money, and I feel gratified in seeing the benefit it confers.

Please send me a further supply, and believe me

Yours, with respect, JOHN C. WHITLOCK.

P. S.—Almost any number of certificates can be sent you if you wish it.

Windsor, C. W., June 26, 1853.

DR. J. C. AYER—Sir:—This may certify that I have used your CHERRY PECTORAL for upwards of one year, and it is my sincere belief that I should have been in my grave ere this time if I had not. It has cured me of a dangerous affection of the lungs, and I do not overstate my convictions when I tell you it is a priceless remedy.

Yours very respectfully,
D. A. McCLURE, Attorney at Law.

Wilkesbarre, Pa., Sept. 25, 1851.

DR. J. C. AYER—My dear Sir:—Your medicine is much approved by those who have used it here, and its composition is such as to insure and maintain its reputation. I invariably recommend it for pulmonary affections, as do many of our principal physicians. I am your friend,

CHAS. STREATER, M. D.

MEXICAN MUSTANG LINIMENT

THIS EXTRAORDINARY MEDICINE IS STILL working wonders throughout the World—eradicating everything in the form of disease that comes within the circle of its influence.

The People Themselves

have long since adopted it as the only external remedy they could rely upon, and the indisputable testimony of thousands is fast sweeping away

The Prejudices of the Faculty.

It is extensively used by the Ladies,
It is used by Mechanics and Laboring men,
It is used in families and factories,
It is used expressly by all Express Companies,
It is used by Farmers and Livery stable keepers,
It is used by everybody, and all speak in its praise,
Where it is used, pain cannot exist,
The benumbed limbs are made elastic,
The deep ulcers and frightful sores are healed,
The unstrung nerves are made to vibrate with joy!

Use the Mustang Liniment.

Is the spontaneous advice of all.

It has cured more cases of

Rheumatism

than any other medicine ever used. Its efficacy in this *terrible disease* is acknowledged by all who have used it. It not only cures the complaint, but appears to give vigor and elasticity to the limbs, before unknown—thus performing a double office.

For contractions of the limbs, stiffness of the joints and *muscles*, hard lumps, swellings and inflammations, it is unrivalled in the power and efficacy of its operations.

For Bruises, Sprains, Cuts, Scalds and Burns, but a few applications are necessary in order to effect a total cure.

Cancer, or Scrofulous Sores, Tetter, Ringworms, Salt Rheum, Scurvy, Erysipelas, Boils, and Eruptions,

can generally be removed in a few days—and the worst cases can be cured in a few weeks at the farthest. Persons afflicted with these diseases, should be careful in getting the right article to cure them.

Use it upon Your Horses,

for spavin, splint, ring-bone, fistula, wind-galls, big-heads, bruises, strains, string halt, scratches, cracked heels, sweeney, saddle, collar, or harness galls, hard lumps or tumors, film or other diseases of the eye, poll-evil, &c.

The finest horses in the city of New York will be found in the stables of the various Express Companies—and they all use

The Mustang Liniment,

totally discarding any other preparations of the kind, and have all given their certificate in its favor.

This we presume will be a sufficient guarantee to induce every one who owns a horse, to give the Mustang a trial.

THERE is no Druggist or Country Store keeper
Who pretends to keep medicine at all,
But what keeps a constant supply of the

Mexican Mustang Liniment.

The small size retail for 25 cents per bottle,
The medium sized retail for 50 cents per bottle,
The large sized retail for one dollar per bottle,
The medium hold three times as much as the small.
The large holds nearly three times as much as the medium,
Therefore the largest bottles are the cheapest

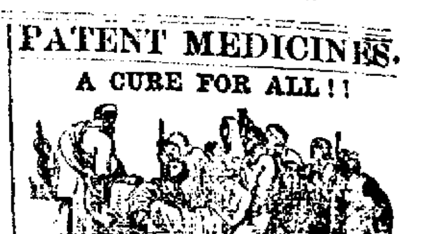
A CURE FOR ALL!!



HOLLOWAY'S OINTMENT.

Citizens of the Union:—

You have done me the honor with one voice, from one end of the Union to the other to stamp the character of my Ointment with your approbation. It is scarcely two years since I made it known among you, and already, it has obtained more celebrity than any other Medicine in so short period. THOMAS HOLLOWAY,

38, *Corner of Ann and Nassau Streets, New York.*

CURE OF SORE LEGS, AFTER 9 YEARS STANDING.

Mr W. J. Langley, of Huntsville, Yadkin, North Caroline, suffered for nine years with one of the most painful and troublesome sore legs that ever fell to the lot of man; and after trying every medicine he had ever heard of, he resigned in despair all hope of being cured; but a friend brought him a *couple of Pots of Holloway's Ointment*, which caused the sores on his legs to heal and he entirely regained his health, to the astonishment of his acquaintances and friends.

CURE OF A BAD BREAST, WHEN THE PATIENT WAS AT DEATH'S DOOR.

Mr. R. DURANT, of New Orleans, addressed Professor HOLLOWAY as follows:—For 7 years my wife had a bad breast, with ten running wounds, (not of a cancerous nature,) I was told that nothing could save her; she was then induced to use your Ointment and Pills, which in the short space of three months, they effected a perfect cure, to the astonishment of all who knew us. We obtained your Medicines from Messrs. Wright & Co., of Chartres st., New Orleans. I send this from "Hotel des Princes," Paris, although I had written it at New Orleans, before we finally left, not knowing your address in New York.

Nov. 9th, 1853. (Signed) R. DURANT.

The Pills should be used conjointly with the Ointment in most of the following cases:—

Bad Legs
Bad Breasts
Burns
Bunions
Chilblains
Chapped hands

Contracted and Stiff Joints
Fistulas
Gout
Glandular swellings

Lumbago
Piles
Rheumatism
Salt Rheum
Scalds
Sore nipples

Sore-throats
Skin-diseases
Scurvy
Sore heads
Ulcers
Wounds.

⁂ Sold at the establishment of Professor HOLLOWAY, 38, Corner of Ann and Nassau streets, New York; also by all respectable Druggists and Dealers in Medicines throughout the United states, in Pots, at 37½ cents, 87 cents, and $1.50 cents each. To be had Wholesale of the principal Drug Houses in the Union.

☞ There is a considerable saving by taking the larger sizes.

N. B. Directions for the guidance of patients in every disorder are affixed to each Pot.

MEDICATED INHALATION

A NEW METHOD.

A MOST WONDERFUL DISCOVERY has recently been made by Dr. CURTIS, for the cure of Asthma, Consumption, Bronchitis, Coughs, Colds, and all Lung Complaints, by Medicated Inhalation. Dr. CURTIS'S HYGEANA, or INHALING HYGEAN VAPOR and CHERRY SYRUP, has accomplished the most wonderful cures of Asthma and Consumption in the City of New York and vicinity for a few months past, ever known to man. It is producing an impression on Diseases of the Lungs never before witnessed by the medical profession. (See certificates in hands of Agents.)

The Inhaler is worn on the breast, under the linen, without the least inconvenience, the heat of the body being sufficient to evaporate the fluid,—supplying the lungs constantly with a healing and agreeable vapor, passing into all the air cells and passages of the lungs that cannot possibly be reached by any other medicine. Here is a case of

ASTHMA CURED.

BROOKLYN, N. Y., Dec. 30th, 1853

For about eight years I have been severely afflicted with the Asthma; for the last two years I have suffered beyond all my powers of description; months at a time I have not been able to sleep in a bed, getting what rest I could sitting in my chair. My difficulty of breathing, and my sufferings, were so great at times, that for hours together my friends expected each hour would be my last. During the past six years I have had the aid and attendance of some of the most celebrated physicians, but have received no permanent benefit, and but little relief. I at length had the good fortune to procure Dr. Curtis's Hygeana or Inhaling Hygean Vapor and Cherry Syrup. At the time I first obtained it, I was suffering under one of my most violent attacks, and was in great distress, almost suffocating for want of breath. In less than *ten minutes from the time* I applied the Inhaler to my stomach, and took a teaspoonful of the Cherry Syrup, I was relieved in a great measure from the difficulty of breathing, and had a comfortable night. I have since continued it with the greatest possible benefit, and am now comparatively well. God only knows the amount of suffering this medicine has relieved me from. My advice to the suffering is,—TRY IT.

CONSUMPTION CURED.

NEW YORK, Dec. 27th, 18[illegible]

I came to New York in the ship Telegraph; my native place is St. John, New Brunswick; when I reached this city, my health was very poor; had a very bad cough, raised a great deal of matter, which was frequently mixed with blood; had pain in my left side, and was very weak and emaciated. My friends and physician pronounced my case Consumption, and beyond the reach of medicine. I accidentally heard of Dr. Curtis's Hygeana, or Inhaling Hygean Vapor and Cherry Syrup, and obtained a package, which I verily believe was the means of saving my life. Soon after wearing the Inhaler, I found it relieved the pressure on my lungs, and after a while the disease made its appearance upon the surface under the Inhaler. I took the Cherry Syrup as directed, and continued to do so, my cough gradually growing better, until it entirely left me, and I now consider myself cured. I still wear the Inhaler, as the use of it is rather pleasant, and believing it strengthening and purifying to the lungs, I feel unwilling at present to dispense with it. JOHN WOO[illegible]

Sold by BOYD & PAUL, No. 40 Cortlandt street; C. H. RING, corner of John street and Broadway, N. Y. Price $3 a package.

N. B.—Any person inclosing $3 to BOYD & PAUL, or Morris & PEARSE, New York, will receive a package containing a bottle of Hygean Vapor, one of Cherry Syrup, and an Inhaler, in a neat box, by express, free to any part of the United States; or four packages for $10. [illegible]

CONSUMPTION CAN BE CURED, AS TREATED BY

DR. E. N. TRIST,

WITH HIS CELEBRATED

HYGEN & OXYGENIC VAPO[illegible]

DR. TRIST, Graduate of the Royal College of Surgeons in London, and the recipient of diplomas from *Lung Institution of Edinburgh*, and *Hotel des Invalides of Paris*, having settled permanently in New York for the practice of his profession, begs leave to suggest to the citizens of the United States that several years of study and *successful experiments* in England and Scotland, as well as other parts of Europe, with Consumption in *all its forms*, enable him to warrant, not only relief, but a *complete cure* to all those suffering with this great national disease.

Dr. TRIST deems it unprofessional to advertise; but others having represented themselves as the originators of the Inhalation Treatment, he would say to the afflicted, that he alone is entitled to its first introduction, and would caution all against using the useless and dangerous compounds advertised by incompetent persons.

"*Take up thy bed and walk.*"

Dr. TRIST would say to those interested, that he has had manufactured, for the use of his patrons, his "*Patent Inhaling Tubes*," through which the vapor is conveyed to the parts affected, and which he earnestly commends for the cheering results which have attended their use, and the *fact* that they may be used by the most feeble, valid without any unpleasant symptoms.

To those residing out of the city, Dr. Trist will forward one of the Inhaling Tubes, together with a package of the Vapor, sufficient to last for three months, accompanied with ample directions for use, on receipt of a letter containing Ten Dollars, and describing symptoms.

A cure is warranted in all stages of Consumption, *Bronchitis, Asthma*, and all other *affections of the Throat, Lungs*, and Air Passages. In case of failure, the money will be returned.

Address (post paid) DR. E. N. TRIST, 3 Grand-st, New York City. [illegible]

HIGHLY IMPORTANT ANNOUNCEMENT.

To the Afflicted Everywhere,

DR. A. L. ADAMS' LIVER BALSA[illegible]

COMES GREETING!

DR. A. L. ADAMS' NEW CURE FOR DISEASE is awakening the inquiry in the minds of who read it. How long hast Americans have been so long and so lavishly immured in darkness and ignorance on the subject of disease.

DR. A. L. ADAMS' LIVER BALSA[illegible]

The great Panacea of Disease is offered to the [illegible] the States and Territories for the entire cure of Liver Complaints in all stages, Bilious Fever, Ague and Fever, Chronic Lung Fever, Dropsical Affections, Coughs, Consumption, Asthma, Jaundice, Bowel Complaints, Diarrhoea, Dysentery, Rheumatism, Piles, Scrofula, Salt Rheum, Dyspepsia, General Debility, Nervousness, Costiveness, Indigestion, Female Complaints, &c.

Dr. A. L. Adams' Liver Balsam now sustains the best reputation of any remedy before the public and is proved to the most skeptical, beyond a shadow of doubt, that it is the only reliable medicine ever discovered (being purely vegetable) for the permanent cure of the above disease. The most skeptical have become its most genuine votaries, and pronounce the Liver Balsam to be the only *reliable harbinger of health to the afflicted everywhere.*

Testimonials come up from every track which has swollen with expressions of gratitude for the relief received by its use. And, in submitting this, the Liver Balsam is recommended to those suffering under the grasp of the monster disease, and at once procure a bottle of Dr. A. L. Adams' Liver Balsam.

The reader's attention *is called to the perusal of a* Medical Circular, which can be obtained of every [illegible] throughout the United States, giving a clear explanation of the causes and cure of disease; also, of certificates of those who have tested its unparalleled ascendency over all diseases to which we are all subject.

BUT STILL AS
CHEAP
AS THOSE WHO ARE SELLING OUT, OFF AND UNDER COST!

ADLER & NEWBOUER,

10 SPRING STREET,
Milwaukee, - - - Wisconsin.

WE WILL SELL YOU GOODS AT PRICES FAR LESS than ever offered before, even as cheap as those now

Selling Out, Off, and Under Cost!

We will still keep on. We will sell you our Goods without fear of competition, AS WE KNOW OF NONE, for

LESS

THAN YOU HAVE EVER BOUGHT THEM WEST. We can say to the Ladies, and Public in general, that they will do well to examine our

RICH STOCK OF DRY GOODS

Before buying elsewhere, as we have proved to them already, since we have been in Milwaukee, that they can

BUY GOODS FOR LESS

At our House, than ever before sold in Wisconsin, (even those excepted who are now

Selling Out, Off, and Under Cost!

Our advantages are such for buying Goods as to give our customers Goods

CHEAPER

Than they can generally buy them. Two of our firm are always in the Eastern market; also getting goods direct from Europe, without giving any second profit which enables us to sell

GOODS FOR LESS

Than are selling NOW, or HAVE BEEN sold in Milwaukee for years. Our stock consists of all kinds of Dry Goods, kept in East or West, in Dry Goods Houses, such as Plaid, Changeable, Plain and Striped Silks; Cloaks; a large stock Merinos; Plaid Wool and Silk Plaids; [illegible]; Delaines, Cashmere Prints, Flannels of all kinds; Silk Velvets, all widths; satin and Cloth Cloaks; Blankets, Cashmere and Silk Shawls, with an

THE UNDERSIGNED WOULD RESPECTFULLY announce to the Public, that he has opened, on

Spring Street, Opposite the American House,
A NEW
PIANO FORTE WARE-ROOM!

Where he will keep on hand a good assortment of the celebrated

AMERICAN ACTION PIANO FORTES,

Manufactured by GEORGE HEWS, of Boston, Mass.

The rated American Action Piano Forte is distinguished for its great fullness, richness and sweetness of tone, evenness of scale, and delicacy of touch. The improvement in the Action renders it less liable to derangement, and also greatly facilitates execution. Numerous medals, diplomas and certificates have been received from various fairs and Industrial exhibitions in different cities of the Union, from the World's Fair at London, and flattering testimonials from the profession, resident at Boston and elsewhere, among which are the following:

From the illustrious Pianist, L. M. GOTTSCHALK, to Mr HEWS, Agent at New York:

New York, Dec. 5, 1853.

Mr N. J. CURTISS:—

Dear Sir: Having had the pleasure of performing upon Geo Hews' American Action Piano at the World's Fair in this city the present year, and other of his Pianos at your Wareroom, which afforded me much gratification, I cheerfully recommend them to the public. I am very glad of the improvement in the action. These instruments likewise are of excellent tone, owing, no doubt, to the perfection of the scales.

Very Respectfully, L. M. GOTTSCHALK.

From the distinguished Pianist, WILLIAM MASON:

Mr. HEWS.—Having repeatedly played upon the Piano Fortes manufactured by you, with the American Action, I am free to acknowledge, that for certainty and elasticity of action, power, purity and equality of tone, I have never seen them surpassed in the square Piano Forte.

WILLIAM MASON.

Purchasers and lovers of music in general, are respectfully invited to call and examine these instruments. These Pianos will be sold at Boston prices, and warranted to give satisfaction in every respect.

Pianos to Let. Old Pianos taken in exchange, and liberal prices allowed.

Pianos Tuned and Repaired.

A CARD.

WE BEG TO CALL THE ATTENTION OF DEALERS in Clothing, &c., about to visit New York this season, to our very large stock of

SPRING AND SUMMER CLOTHING,

As we feel assured they will find it, from its extent, variety, style, and cheapness, well worthy of their consideration.

Whilst the disposition of our manufacturers this season has been to greatly reduce their stocks, we have availed ourselves of the advantages of a low market for goods and labor, to manufacture a much larger stock than we have ever done; which, consequently, we will be enabled to offer at remarkably low prices.

We would respectfully invite an examination.

OPPOSITION TO MONOPOLY.
Music at Greatly Reduced Rates.

NOTWITHSTANDING the combination of music dealers to keep up the prices of non copy-right music, against the interests of native composers, and their refusal to extend to Mr. Waters the courtesies of the trade, he is making immense sales—having abundant evidence that he has public countenance and support in his opposition to the Great Monopoly, and in his efforts to aid Native Talent, and to adopt the National Currency. His stock of American and European music is immense, and the catalogue of his own publications is one of the largest and best selected in the United States. He has also made a Great Reduction in the prices of Pianos, Melodeons, and Musical Instruments of all kinds. Superior toned 6½ octave Pianos for $175, $200 and $225, interior of as good quality, and instruments as strong and as durable as those which cost $500. Pianos of every variety of style and price up to $1000, comprising those of ten different manufactories; among them the celebrated modern improved Horace Waters' Pianos, and the first premium Æolian Pianos of T. Gilbert & Co's make, (owner of the Æolian patent.) Second-hand Pianos at great bargains. Prices from $40 to $150. Melodeons from five different manufactories, including the well known S. D. & H. W. Smith's melodeons, (tuned the equal temperament,) the best make in the United States. Prices $45, $60, $75, $100, $115, $125, and $150. Smith's Double Bank Melodeons, $200. Each Piano and Melodeon guaranteed. The best terms to the trade, schools, &c. 12½ per cent. discount to clergymen and churches. All orders promptly attended to. Music sent to all parts of the country, post-paid, at the reduced rates. General and select catalogues and schedule of prices of Pianos forwarded to any address, free of charge. feb14 3mosV&S

USE THE
Magic Impression Paper!

For Writing without Pen or Ink, Copying Leaves, Plants, Flowers, Pictures, Patterns for Embroidery, Marking Linen indelibly, and

MANIFOLD WRITING.

THIS ARTICLE IS ABSOLUTELY THE BEST PORTABLE inkstand in the known world, for a small quantity folded and placed in the pocket constitutes a travelling inkstand, which cannot be broken. No pen is needed, for any stick sharpened to a point, writes equally as well as the best gold pen in the universe. For drawing it is indispensable. It is, indeed, the whole art of Drawing and Painting—taught in one lesson. Any leaf, plant or flower can be transferred to the pages of an album with a minute and distinct resemblance of nature. With equal facility, pictures and embroidery patterns are taken, and have received the highest eulogiums from the fair sex; and, indeed, a more tasteful present for a lady could not be produced.

This Magic Paper will also mark Linen, or other articles, so as to remain perfectly indelible. All the washing in the world fails to bring it out. Any child can use it with perfect ease. With this Magic Paper, likewise, one or four copies of every letter written can be secured without any additional labor whatever, making it the cheapest article extant. It is used to great advantage by reporters of the public press, telegraphic operators and hosts of others.

Each package contains four different colors—Black, Blue, Green, and Red, with full and printed instructions, for all to use, and will last sufficiently long to obtain five Hundred distinct impressions.

It is put up in beautifully enamelled, colored envelopes, with a truthful likeness of the Proprietor attached. Each and every package warranted.

Price—$2 a dozen, or, five for One Dollar. Single Packages, 25 Cents. Address, post-paid,
N. HUBBELL, 167 Broadway, N. Y.

PATENT MEDICINES.

CHERRY PECTORAL,

For the rapid Cure of
COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

AMONG the numerous discoveries Science has made in this generation to facilitate the business of life—increase its enjoyments, and even prolong the term of human existence, none can be named of more real value to mankind, than this contribution of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt, that no medicines or combination of medicines yet known, can so surely control and cure the numerous varieties of pulmonary disease which have hitherto swept from our midst thousands and thousands every year. Indeed, there is now abundant reason to believe a Remedy has at length been found which can be relied on, to cure the most dangerous affections of the lungs. Our space here will not permit us to publish any proportion of the cures effected by its use, but we would present the following, and refer further enquiry to my American Almanac, which the Agents below named, will always be pleased to furnish free, wherein are all particulars, and indisputable proof of these statements.

Office of Transportation, Laurens R R, S C, Aug. 4, '53.

DR. J. C. AYER: Dear Sir,—My little son, four years old, has just recovered from a severe attack of malignant Scarlet Fever, his throat was rotten, and every person that visited him pronounced him a dead child. Having used your CHERRY PECTORAL, in California, in the winter of 1850, for a severe attack of Bronchitis, with entire success, I was induced to try it on my little boy. I gave him a teaspoonful every three hours, commencing in the morning, and by 10 o'clock at night, I found a decided change for the better, and after three days use, he was able to eat or drink without pain.

Its use in the above named disease will save many a child from a premature grave, and relieve the anxiety of many a fond parent. For all affections of the Throat and Lungs I believe it is the best medicine extant. A feeling of the deepest gratitude prompts me in addressing you these lines,—but for your important discovery, my little boy would now have been in another world.

I am yours, with great respect
J. D. POWELL, Supt. Trans., L. R. R.

Rocky Hill, Somerset Co., N. J., July 21, 1852.

DR. J. C. AYER:—Since your medicine has become known here it has a greater demand than any other cough remedy we have ever sold. It is spoken of in terms of unmeasured praise by those who have used it, and I know of some cases where the best they can say of it is not too much for the good it has done. I take pleasure in selling it, because I know that I am giving my customers the worth of their money, and I feel gratified in seeing the benefit it confers.

Please send me a further supply, and believe me
Yours, with respect, JOHN C. WHITLOCK.

P. S.—Almost any number of certificates can be sent you if you wish it.

Windsor, C. W., June 26, 1853.

DR. J. C. AYER—Sir:—This may certify that I have used your CHERRY PECTORAL for upwards of one year, and it is my sincere belief that I should have been in my grave ere this time if I had not. It has cured me of a dangerous affection of the lungs, and I do not overstate my convictions when I tell you it is a priceless remedy.

Yours very respectfully,
D. A. McCLURE, Attorney at Law.

Wilkesbarre, Pa., Sept. 25, 1853.

DR. J. C. AYER—My dear sir:—Your medicine is much approved by those who have used it here, and its composition is such as to insure and maintain its reputation. I invariably recommend it for pulmonary affections, as do many of our principal physicians. I am your friend,
CHAS. STREATER, M. D.

MEXICAN MUSTANG LINIMENT

THIS EXTRAORDINARY MEDICINE IS STILL working wonders throughout the World—revolutionizing everything in the form of disease that comes within the circle of its influence.

The People Themselves

have long since adopted it as the only external remedy they could rely upon, and the indisputable testimony of thousands is fast sweeping away

The Prejudices of the Faculty.

It is extensively used by the Ladies,
It is used by Mechanics and Laboring men,
It is used in families and factories,
It is used expressly by all Express Companies,
It is used by Farmers and Livery stable keepers,
It is used by everybody, and all speak in its praise,
Where it is used, pain cannot exist,
The benumbed limbs are made elastic,
The deep ulcers and frightful sores are healed,
The unstrung nerves are made to vibrate with joy!

Use the Mustang Liniment,

is the spontaneous advice of all.

It has cured more cases of

Rheumatism

than any other medicine ever used. Its efficacy in this terrible disease is acknowledged by all who have used it. It not only cures the complaint, but appears to give vigor and elasticity to the limbs, before unknown—thus performing a double office.

For contractions of the limbs, stiffness of the joints and muscles, hard lumps, swellings and inflammations, it is unrivalled in the power and efficacy of its operations.

For Bruises, Sprains, Cuts, Scalds and Burns, but a few applications are necessary in order to effect a total cure.

Cancer, or Scrofulous Sores, Tetter, Ringworms, Salt Rheum, Scurvy, Erysipelas, Boils, and Eruptions,

can generally be removed in a few days—and the worst cases can be cured in a few weeks at the farthermost. Persons afflicted with these diseases, should be careful in getting the right article to cure them.

Use it upon Your Horses,

for spavin, splint, ring-bone, fistula, wind-galls, big-heads, bruises, strains, string halt, scratches, cracked heels, sweeney, saddle, collar, or harness galls, hard lumps or tumors, film or other diseases of the eye, poll-evil, &c.

The finest horses in the city of New York will be found in the stables of the various Express Companies—and they all use

The Mustang Liniment,

totally discarding any other preparations of the kind, and have all given their certificate in its favor.

This we presume will be a sufficient guarantee to induce every one who owns a horse, to give the Mustang a trial.

THERE is no Druggist or Country Store keeper
Who pretends to keep medicine at all,
But what keeps a constant supply of the
Mexican Mustang Liniment.
The small size retail for 25 cents per bottle,
The medium sized retail for 50 cents per bottle,
The large sized retail for one dollar per bottle,
The medium hold three times as much as the small.
The large holds nearly three times as much as the medium,
Therefore the largest bottles are the cheapest.

A CURE FOR ALL!!

HOLLOWAY'S OINTMENT.

Citizens of the Union:—

You have done me the honor with one voice, from one end of the Union to the other to stamp the character of my Ointment with your approbation. It is scarcely two years since I made it known among you, and already, it has obtained more celebrity than any other Medicine in so short period. THOMAS HOLLOWAY,
58, Corner of Ann and Nassau Streets, New York.

CURE OF SORE LEGS, AFTER 9 YEARS STANDING.

Mr W. J. Langley, of Huntsville, Yadkin, North Carolina, suffered for nine years with one of the most painful and troublesome sore legs that ever fell to the lot of man; and after trying every medicine he had ever heard of, he resigned in despair all hope of being cured; but a friend brought him a couple of Pots of Holloway's Ointment, which caused the sores on his legs to heal and he entirely regained his health, to the astonishment of his acquaintances and friends.

CURE OF A BAD BREAST, WHEN THE PATIENT WAS AT DEATH'S DOOR.

Mr. R. DURANT, of New Orleans, addressed Professor HOLLOWAY as follows:—For 7 years my wife had a bad breast, with ten running wounds, (not of a cancerous nature,) I was told that nothing could save her; she was then induced to use your Ointment and Pills, which in the short space of three months, they effected a perfect cure, to the astonishment of all who knew us. We obtained your Medicines from Messrs. Wright & Co., of Chartres st., New Orleans. I send this from "Hotel des Princes," Paris, although I had written it at New Orleans, before we finally left, not knowing your address at New York.
Nov. 9th, 1853. (Signed) R. DURANT.

The Pills should be used conjointly with the Ointment in most of the following cases:—

Bad Legs	Contracted and	Lumbago	Sore-throat
Bad Breasts	Stiff Joints	Piles	Skin-diseases
Burns	Fistulas	Rheumatism	Scurvy
Bunions	Gout	Salt Rheum	Sore heads
Chilblains	Glandular	Scalds	Ulcers
Chapped hands	swellings	Sore nipples	Wounds.

Sold at the establishment of Professor HOLLOWAY, 80, Corner of Ann and Nassau streets, New York; also by all respectable Druggists and Dealers in Medicines throughout the United States, in Pots, at 37½ cents, 87 cents, and $1.50 cents each. To be had Wholesale of the principal Drug Houses in the Union.

There is a considerable saving by taking the larger sizes.

N. B. Directions for the guidance of patients in every disorder are affixed to each Pot.

MEDICATED INHALATION
A NEW METHOD.

A MOST WONDERFUL DISCOVERY has recently been made by Dr. CURTIS, for the cure of Asthma, Consumption, Bronchitis, Coughs, Colds, and all Lung Complaints, by Medicated Inhalation. Dr. CURTIS'S HYGEANA, or INHALING HYGEAN VAPOR and CHERRY SYRUP, has accomplished the most wonderful cures of Asthma and Consumption in the City of New York and vicinity for a few months past, ever known to man. It is producing an impression on Diseases of the Lungs never before witnessed by the medical profession. [See certificates in hands of Agents.]

The Inhaler is worn on the breast, under the linen, without the least inconvenience, the heat of the body being sufficient to evaporate the fluid,—supplying the lungs constantly with a healing and agreeable vapor, passing into all the air cells and passages of the lungs that cannot possibly be reached by any other medicine. Here is a case of

ASTHMA CURED.

BROOKLYN, N. Y., Dec. 20th, 1853.

For about eight years I have been severely afflicted with the Asthma; for the last two years I have suffered beyond all my powers of description; months at a time I have not been able to sleep in a bed, getting what rest I could sitting in my chair. My difficulty of breathing, and my sufferings, were so great at times, that for hours together my friends expected each hour would be my last. During the past six years I have had the aid and attendance of some of the most celebrated physicians, but have received no permanent benefit, and but little relief. I at length had the good fortune to procure Dr. Curtis's Hygeana or Inhaling Hygean Vapor and Cherry Syrup. At the time I first obtained it, I was suffering under one of my most violent attacks, and was in great distress, almost suffocating for want of breath. In less than *ten minutes* from the time I applied the Inhaler to my stomach, and took a teaspoonful of the Cherry Syrup, I was relieved in a great measure from the difficulty of breathing, and had a comfortable night. I have since continued it with the greatest possible benefit, and am now comparatively well. God only knows the amount of suffering this medicine has relieved me from. My advice to the suffering is—TRY IT.

CONSUMPTION CURED.

NEW YORK, Dec 27th, 185[illegible]

I came to New York in the ship Telegraph; my native place is St. John, New Brunswick; when I reached this city, my health was very poor; had a very bad cough, raised a great deal of matter, which was frequently mixed with blood; had pain in my left side, and was very weak and emaciated. My friends and physician pronounced my case Consumption, and beyond the reach of medicine. I accidentally heard of Dr. Curtis's Hygeana, or Inhaling Hygean Vapor and Cherry Syrup, and obtained a package, which I verily believe was the means of saving my life. Soon after wearing the Inhaler, I found it relieved the pressure on my lungs, and after a while the disease made its appearance upon the surface under the Inhaler. I took the Cherry Syrup as directed, and continued to do so, my cough gradually growing better, until it entirely left me, and I now consider myself cured. I still wear the Inhaler, as the use of it is rather pleasant, and believing it strengthening and purifying to the lungs, I feel unwilling at present to dispense with it. JOHN WOO[illegible]

MEDICATED INHALATION!

CONSUMPTION CAN BE CURED, AS TREATED
DR. E. N. TRIST,
WITH HIS CELEBRATED
HYGEN & OXYGENIC VAPO[illegible]

DR TRIST, Graduate of the Royal College of Surgeons in London, and the recipient of diplomas from Lung Institution of Edinburgh, and Hotel des Invalides of Paris, having settled permanently in New York for practice of his profession, begs leave to suggest to the citizens of the United States that several years of study and successful experiments in England and Scotland, as well as other parts of Europe, with Consumption in all its forms, enable him to warrant, not only relief, but a complete cure to all those suffering with this great national disease.

Dr. TRIST deems it unprofessional to advertise; but others having represented themselves as the originators of the Inhalation Treatment, he would say to the afflicted that he alone is entitled to its first introduction, and would caution all against using the useless and dangerous compounds advertised by incompetent persons.

"Take up thy bed and walk!"

Dr. TRIST would say to those interested, that he has had manufactured, for the use of his patrons, his "Patent Inhaling Tubes," through which the vapor is conveyed to the parts affected, and which he earnestly commends for the cheering results which have attended their use, and the fact that they may be used by the most feeble, invalid without any unpleasant symptoms.

To those residing out of the city, Dr. Trist will forward one of the Inhaling Tubes, together with a package of the Vapor, sufficient to last for three months, accompanied with ample directions for use, on receipt of a letter containing Ten Dollars, and describing symptoms.

A cure is warranted in all stages of Consumption, Bronchitis, Asthma, and all other affections of the Throat, Lungs, and Air Passages. In case of failure, the money will be returned.
